Current and Incoming Athletes: Go to <https://athleticclearance.com> and click on **the**  **button** on the page. (Instructions are on the back of this document).

All athletes must have a physical and medical insurance in order to participate in pre-season conditioning or to try-out for any team. Physicals are good for one year from the date administered. If a physical expires during the season, they will not be able to play until a new physical exam is completed. You may scan and turn in your physical while registering on athleticclearance.com. You may choose to turn in physicals to the bookkeeper. If you have already submitted your physical exam form to the bookkeeper, you **will not** need to send in another one until it expires.

Registration for all sports can be found on the Kimball Athletic website.

It is required that every athlete that plays a sport has medical insurance. If your student-athlete does not have insurance, you can purchase low cost student insurance through Pacific Educator <http://www.peinsurance.com>.

Don't Forget to purchase your **ASB card**. With an ASB card almost all in season home games are free. (excludes post-season play).
