

# myDSD Guardian Account & Setup

Welcome to the new myDSD system. We have made several changes and enhancements to make your experience better. The system has a cleaner, more modern mobile friendly look and feel enabling you to use your smart phone or other mobile type devices. It is accessible in both English and Spanish at the click of a button and works with the same username and password you used to access the old myDSD system. In addition to the many features in the previous version, the new myDSD system allows parents/guardians to apply for free reduced lunch, boundary variances and the ability to clear their students' absences. It also provides for easier communication with the support team.
