Dear Parents and Seniors of the Class of 2020:

Congratulations! The excitement of your senior year is just around the corner. Now is a good time to give you basic information concerning your senior portrait.

We are pleased to announce that **Prestige Portraits by Lifetouch** is the official portrait photographer for International Academy. We made this selection based on strict criteria including quality, price, customer service, variety of sittings, backgrounds, props, school support and variety of locations. All portraits are 100% guaranteed. As the official photographer, Prestige also provides valuable services to our school including photo training, photographic supplies and school dance pictures.

As a result of being photographed by Prestige Portraits, you will appear in the Class of 2020 composite and in full color in the 2020 Legend yearbook. Prestige has our yearbook specifications and will automatically deliver the photograph of your choice for use in the yearbook and on the composite. Each senior photographed by Prestige will also receive a color copy of the class composite. The composite may not be important to you now, but will be invaluable to you tomorrow. Please don't be left out!

Your senior yearbook and composite picture must be a head and shoulder pose on a gray background. No T-shirts, hoodies or bare shoulders. You are free to use a studio of your choice but your photos must follow the guidelines specified for inclusion in the IA yearbook.

All publications, including yearbooks, have deadlines. The studio is compelled to conform to our dates. Please do not be late with your portrait sitting or proof selection. Studio appointments book up quickly. You can make your appointment months in advance at any Prestige location listed below.

Deadline to be photographed for the yearbook: October 3, 2019

Deadline to turn in yearbook pose to Prestige: October 17, 2019

If you choose to be photographed by another studio and would like to appear on the class composite, please take this letter with you so the proper specifications can be met.

Composite: Traditional head and shoulder pose with a blue/gray background. Print size must be a minimum of 1½”X 2” and a head size of exactly 1” from the top of the hair to the bottom of the chin. If on CD, images must be 300 dpi. Deliver to any Prestige Portraits along with a studio release and a check for \$20.00 no later than February 8, 2020. You will receive a copy of the class composite.

You will soon receive further information regarding your portrait sitting in the mail this summer, along with special early bird offers. If you have any questions, please do not hesitate to call Prestige. We wish you a safe and happy summer.

Sincerely,

Donalda Webster
