Recruitment and Selection of Principals

When positions become available either through attrition or by creation of a new position, the following steps will be taken in an effort to ensure the highest quality candidate is selected.

Positions will be posted according to contractual provisions. Positions will be advertised if it is determined that a sufficient pool of qualified candidates does not exist among current employees.

Application packets will be reviewed by the Superintendent to determine suitability of qualifications for the open position. From this review, a pool of applicants will be formed.

Feedback regarding qualities, attributes, and desired skills for a Principal will be collected from teachers, students, parents, support staff, administrators, and community members via an online survey. If necessary, focus groups will be convened to collect additional feedback.

An interview committee consisting of at least administrator(s), teachers, parent(s), and student(s) will be formed. This committee will create a series of questions and an interview format that reflect the Amity mission, the feedback from the community, and job description. The Superintendent may select a Chairman or choose to engage a consultant in this part of the process for the purposes of ensuring coherence in the entire process and assisting the committee with the development of the questions and interview format. The task of this committee will be to recommend a minimum of two candidates and a maximum of three candidates (semifinalists) to the Superintendent.

Semifinalists will be scheduled for interactions with individuals that may include, but are not limited to: central office administrators, Principals, district department heads, and the AEA President. The Superintendent will collect feedback from each individual about his/her views of each candidate. A minimum of two candidates and a maximum of three candidates will be selected as finalists.

The Superintendent will conduct a 1:1 interview with each finalist. The Superintendent will contact references for each finalist.

If the qualifications of finalists are substantially equivalent, preference shall be given to a qualified applicant employed by the district.

If the recommended finalist is not currently an Amity employee, the Superintendent will conduct a site visit with a small team, including at least one administrator, one teacher, and one parent.

The Superintendent will recommend one finalist to the Board of Education for appointment.
