

Alumni Week

ST. MARK'S ALUMNI ARE WELCOMED BACK TO CAMPUS

Sean Kerrigan and Sonia Kerrigan, Class of 2014, with Coach Fred Silverstein

Each spring, we welcome high school aged alumni back to campus for Alumni Week. During Alumni Week, our students reconnect with St. Mark's classmates and former teachers through an after school social and a special Senior Send Off lunch.

Our alumni share that they were well prepared, both academically and interpersonally, and local high schools often tell us that our students are highly

attractive to them. St. Mark's graduates represent many of the best community members their schools have; they thrive in the classroom, contribute on the court, field, and stage, and are representative of well-rounded people. Ultimately, our alumni are exactly the types of students you would expect from a strong, child-centered environment.
