

Top Row:

Valerie Ortiz, Leanne Currier,
and Hannah Maloney, '18, create

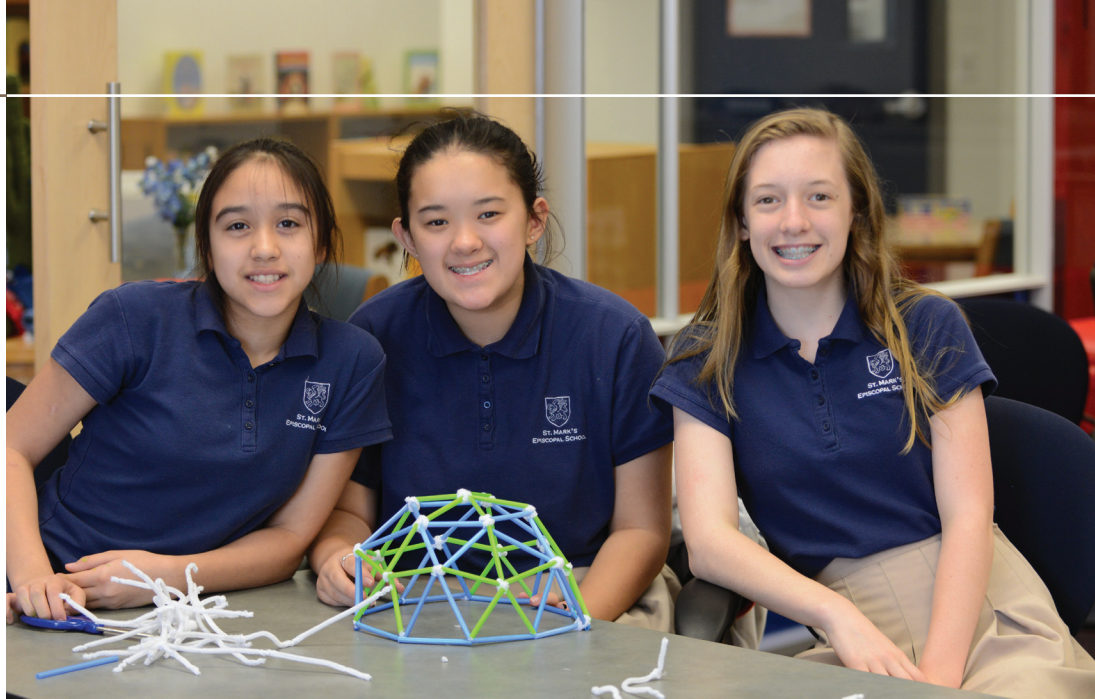

geodesic domes in STEM class.

Check out more about our STEM
offerings at stmes.org/idea

The 2017 St. Mark's Cup was awarded
to **Kathryn Prappas, '17.** The St.
Mark's Cup is given to the graduating
8th grader who best represents
the spirit of the middle school.

The 2017 Ambassador Award was given
to **Isabel Wagers, '17.** The Ambassador
Award is given to the 8th Grade
Ambassador who exemplifies outstanding
character and demonstrates what it means
to be respectful, responsible, and kind. This
award is presented by the admission office.

The 2017 Faculty Award was given
to **Henry Miller, '17.** The Faculty
Award is given to a graduating
8th grader who consistently and
independently wants to learn more.

Eric Wellmeyer, '28, shares his paper
doll project during our annual Heritage
Festival. Even our youngest students
in the Preschool 2s program get
involved in this campus-wide event!
