Located in the heart of our campus, the Reeder Gymnasium provides a place for our students to play and develop sportsmanship. It also is a space where our community gathers for Rise and Shine assemblies, fine arts performances, and school-wide events.

Roma Coleman, Director of Athletics shared with us, "as in the academic realm, here at St. Mark's we are always looking toward innovation and improvement. Through the leadership of our Headmaster and Board of Trustees, we have begun a small renovation of our athletic facilities. We are truly excited and look forward to the "new look" of our athletic facilities as we continue to cultivate joy, playfulness and growth."

### Sports Banquet

The annual St. Mark's Sports Banquet was held on Friday, May 12, in the Reeder Gymnasium. This event allows us to recognize over 150 athletes for their accomplishments on the court, field, and track over the course of the year. A hallmark of the evening is recognizing our winners for the Sallie Wilson Sportsmanship Award, which is presented to the 8th grade athletes whose actions and attitude most exemplify the ideals of sportsmanship; including fairness, civility, honesty, selflessness, respect and responsibility towards their teammates, coaches, officials, opponents and fans. This year's Sallie Wilson Sportsmanship Award recipients were Max Melton and Isabel Wagers, shown above.

Sallie Wilson

“ Sallie Wilson designed and founded the athletics program at St. Mark's during her 24 years as our leader. Coach Wilson was an asset to our community, and without her none of us would be here celebrating our student athletes today. I am honored every year to present this award to the students who embody the values that she held most closely. ”
