

Board of Trustees

2017-2018 ST. MARK'S EPISCOPAL SCHOOL BOARD OF TRUSTEES

2017-2018 Board of Trustees; Not pictured: Pablo Mercado, Jill Thompson, Jeff Van Gundy, and Eleanor Cannon

St. Mark's Episcopal School was created in 1960 as an educational outreach ministry of St. Mark's Episcopal Church. We are governed by a separate Board of Trustees, comprised of current and former parents and community leaders. The Board of Trustees of St. Mark's Episcopal School is a dynamic group of individuals that focuses on the long-term strategic goals and financial position of the school and the selection and support of its Headmaster, Garhett Wagers. The board entrusts the normal, day-to-day operations of the school to their sole employee, the Headmaster, and uses its position to approve the annual operating budget oversee the financial operations of the school.

We would like to formally welcome the following individuals, newly elected to the St. Mark's Board of Trustees:

Susanne Evans

Susanne Walker Evans received a B.A. in English from Texas Tech University and a J.D., cum laude, from the University of Houston Law Center. She taught high school English in Houston's Spring Branch ISD for three years before pursuing her law degree. She practiced federal energy regulatory law with Transcontinental Pipeline and later, corporate law with a local law firm. As twenty-five year member of St. John the Divine Episcopal Church, Susanne has volunteered as a Stephen Minister, Worship Leader, and Lay Eucharistic Minister. Susanne and her husband, Randall Evans, are Founders

of Episcopal High School. Currently retired, she has been married to Randall for forty years. They have three children and six grandchildren, four of whom live in Houston and are enrolled at St. Mark's: Julian Amelio (3rd Grade), Catalina Amelio (3rd Grade), Walker Evans (2nd Grade), and August Evans (Kindergarten).

Ken Murphy

Ken Murphy is the President and Chief Executive Officer of Mattress Firm. His continued success in many various roles within the sales and operations functions led to his promotion as Chief Operating Officer in February 2014 and then President in
