St. Mark's Annual Fund

The St. Mark's Annual Fund continues to be a source of pride in our community. We facilitated an abbreviated parent campaign this year, due to Harvey. With active fundraising happening between October 1 and November 30, we were able to reach 83% participation in just 8 weeks. As a reminder, our parent campaign has ended, but gifts can still be received, and counted. We receive gifts from Grandparents, Alumni, and Friends

throughout the year and we remain grateful for this important support. If you still wish to give, you can do so at www.stmes.org/makeagift.

We are especially thankful for Gury and Pratik Doshi, shown here, who served as Annual Fund chairs for this year's 2017-18 campaign. They recruited a strong group of Class Representatives who we rely on to make this effort successful. We are especially appreciative of their flexibility and enthusiasm for this crucial initiative in a unique year with the challenges of the fall.
