St. Mark's Annual Fund

The St. Mark's Annual Fund continues to be a source of pride in our community; it is the most important way that we fundraise in our community. Our condensed parent campaign kicked off on September 1, and concluded on November 30. We are proud to say that we reached 100% participation among our Board of Trustees, and faculty and staff, in addition to an impressive 86% participation from our parents. As a

reminder, our parent campaign has ended, but gifts can still be received, and counted. We receive gifts from grandparents, alumni, and friends throughout the year, and we remain grateful for this important support.

We are especially thankful for **Kourtney and Vijay D'Cruz**, who served as Annual Fund chairs for this year's 2018-2019 campaign. They recruited a strong group of Class Representatives who we rely on to make this effort successful.
