

# A Connected Community

THE METZ AND EVANS CONNECTION

Jackson Metz, '19, and Jessica Evans

**W**e live in a connected community.

This fall, 8th Grade Language Arts Teacher, Jessica Evans, discovered just how small the world is. Jessica's father, Ed Maggert, taught Honors Chemistry at The Asheville School in Asheville, NC. One of his students was Edward Metz, who is dad to Jackson, '19, and Davis, '21, and husband to Brandee Metz, 2nd Grade Teaching Assistant. Mr. Maggert was one of Edward's favorite teachers. Now Jessica is teaching Jackson Language Arts nearly 1,000 miles away and over thirty years later!
