

## We Love Our Volunteers!

From shelving library books, to selling Spiritwear, to serving as a Buddy Family, to fundraising, there are countless ways we volunteer on campus. At St. Mark's, we love our volunteers! That's why during arrival duty in May, the school served iced coffees through our car windows as a token of our appreciation.

Sawan Parikh, '19, helps serve coffee for volunteer appreciation day

Dorinda Howard,  
beloved St. Mark's  
teacher from 1984 - 2018

### **Dorinda Howard Fund**

St. Mark's is delighted to announce a new name for our previously established fund for professional

development. As a result of many generous gifts in her memory, and substantial gifts from her family and estate, the Faculty Growth Fund will now be the Dorinda Howard Fund. Mrs. Howard's commitment to professional excellence and advancing one's own learning shapes our culture at St. Mark's. Her legacy continues to influence our faculty and our children.
