Georgia Cyber Academy Governing Board
Instructional Live Class Connect Size Policy

Adopted On: 8/16/2017   Last Reviewed On: ___________   Last Updated On: ___________

The Board of GCA adopts the following policy, effective on the date of adoption by the Board.

Instructional Live Class Connect Size

The following defines the maximum number of students that may be invited to attend any live instructional class connect session. For grades Kindergarten through 8th instructional live class connect size is defined by grade level, regardless of subject, and for High School grades the instructional class connect size is defined by course and/or content area. Elementary and Middle School grade level students taking High School level courses may attend live class connect sessions at class size levels as defined for High School courses and/or content area. Courses taught through another entity are exempt from this policy. Full Implementation of this policy will be effective 2018-2019. For the 2017-2018 school year, this policy will be fully implemented for the 6th, 7th, and 8th grades as of October FTE Count Date; a plan for partial implementation will be created for targeted High School courses/content areas and Elementary Grades within the confines of budgetary constraints.
