TO: Bidders  
SUBJECT: Notification of Cancellation of Solicitation  
ITB 19-0019 Highland Park Middle School HVAC Upgrades

Pursuant to OAR 137-049-0440 the District has determined it is in the public interest to cancel Solicitation Invitation to Bid (ITB) 19-0019 Highland Park Middle School HVAC Upgrades and reject all Bids as the price presented by Bidders is too costly.

The District will evaluate the Scope of Work and determine when and if re-solicitation is warranted.

Sincerely,
