ROEDEAN

CHARGES FOR EXTRA ACTIVITIES 2019-20

The School aims to provide a wide variety of activities for all girls within the curriculum and in the extra-curricular programme without additional charge. However, the School also makes regular provision for specialist individual, shared or group tuition that is paid for as an 'extra'.

- In order to apply for extra activities, please use this link to submit your application form <https://roedean.wufoo.com/forms/tuition-for-extra-activities-application-form/>
- Extras involve an additional time and financial commitment and girls may not take up extra subjects without joint approval of parents and their Head of Year/Tutor. Girls must be able to meet all their commitments fully.
- The annual fees normally cover 30 lessons per academic year, divided between the three terms. Where this proves impossible the number of lessons per term will be adjusted to ensure a total of 30 in the full year. For convenience the cost is divided equally between the three terms.
- Every effort will be made to make up lessons missed for any reason, but when a lesson is missed through no fault of the teacher concerned the School cannot guarantee that lessons will be made up, and under these circumstances the normal charge will be made.
- **Please notify the Head of the relevant department in writing if subjects/activities are to be discontinued.**
- Since payment has to be made to the teachers concerned, subjects/activities may only be terminated at the end of a term, for which a half of one term's notice in writing is required. If a subject/activity is discontinued during a term, the whole of that term's charge will be payable. Girls may not themselves negotiate withdrawal.
- **A term's fees will be charged if correct notice is not given.**

Pupils are required to sign up for the level of their choice (standard, intermediate or advanced) at the start of each term and remain with that level throughout the term. Additional charges will be made for music examination piano accompaniment.
- Ballet and Dance lessons are double Periods and the charges will be for lessons of 60 minute duration.
- English as an additional subject will be lessons of 50 minute duration.
