DISCLOSURE:

Pine Lake Challenge Course (PLCC) programs involve a variety of activities that often include warm-ups, games, group initiative problems, low and high ropes elements, and other potentially rigorous physical adventure activities. The level of participation in every program activity is "challenge by choice", meaning the choice whether to participate or not and the level of that participation is up to the individual participant. As with any physical activity there is an element of risk, which must be assumed by each participant. Though the Course is inspected regularly and is facilitated by experienced trainers, there is the possibility that a participant may suffer an emotional injury, and/or serious physical injury, resulting in permanent disability or death. Each participant voluntarily assumes the risk of such injury.
