

# APPLIED LANGUAGE ARTS 9

## READING

### *Key Ideas & Details*

- Use textual evidence to support analysis, inferences, themes, central ideas, relationships, and summaries, and to analyze development of complex characters and author's purpose.

### *Craft & Structure*

- Analyze dictions, structure, and point of view in one or more texts to determine their impact, creation of effects, reflection of experience, or author's purpose.

### *Integration of Knowledge & Ideas*

- Compare and analyze the representation of varying accounts of a subject in texts, in different mediums, or in the source material and a specific work, analyzing what is emphasized or absent and evaluating the reasoning.

## WRITING

### *Argument*

- Write arguments to support claims in an analysis of substantive topics or texts, using reasons and relevant and sufficient evidence.

### *Informative/Explanatory*

- Write informative/explanatory texts to examine a topic and convey complex ideas, concepts, and information clearly and accurately through the effective selection, organization, and analysis of content.

## LANGUAGE

### *Conventions of Standard English*

- Demonstrate command of the conventions of standard English grammar, usage, mechanic, and spelling when writing or speaking.

### *Knowledge of Language*

- Use knowledge of language to make effective choices, comprehend more fully, and conform to appropriate guidelines.

### *Vocabulary Acquisition & Use*

- Acquire and accurately use and interpret academic words and phrases; independently gather vocabulary knowledge when considering a word or phrase important to comprehension or expression.
