OR				
Friday, August 9	8:30-11:30 12:30-3:30	8:30-11:30 12:30-3:30	8:30-11:30 12:30-3:30	8:30-11:30 12:30-3:30

Students are required to get their school IDs and set up their laptops during prep week. The information above shows you when each area is open during the two days for you to complete these tasks. If available, the AP Office may have your parking permit or bus pass for pickup and the Spirit Shop is open.

- Bring your device for Prep Week. We will verify that you can connect to the network, and that your printer is properly setup. You must verify these things with IT to receive your ID. If you do not have an ID, you will receive a JUG.
- You will not need a student ID to access the school building for Prep Week.
- If you need help with PowerSchool or the Parent Portal, a member of the IT department will be present to help you.
- If you are a transfer student, you will accomplish these things at your transfer student orientation on August 9th. All transfer students must attend from 8-12. The dress code for the day is Jesuit appropriate casual. Lunch is provided! Bring your device to get connected to the St. X network and printers.
- The IT department will not be available for faculty/staff during Prep Week events.
- The Spirit Shop will be open during Prep Week!
