MEAL ASSISTANCE

Our department participates in the National School Breakfast and Lunch Programs. A benefit of these programs is the ability to provide free and reduced price breakfast and lunch to families who are eligible according to the federal income guidelines. You can apply online at www.EZMealApp.com. A new application must be completed each year for the benefits to continue. Meal benefits begin when the application has been processed and approved. The information you provide will be treated confidentially and will be used only for eligibility determination. If you cannot apply online, please pick up a paper application at your child's school.

SCHOOL LUNCH ACCOUNT CHARGING POLICY

It is the parent's responsibility to see that their children have funds available in their students' lunch account or a home packed meal is brought from home. Carmel Clay Schools allows students to charge meals according to the Food Service Charge Policy. Parents are responsible for the negative balance accrued until the balance is paid in full.
