

# ISTE 2019, Philadelphia, PA

# What is ISTE?

## International Society for Technology in Education

- Non profit
  - Founded in 1971
  - Around 20,000 attendees at national conference
  - 1,900 sessions presented
  - Started by educators
- 

“Because, ultimately, it's not about the technology at all. It's about changing the way learning and teaching takes place to make it more meaningful and impactful for educators and learners around the globe.”

- [www.iste.org/about/iste-story](http://www.iste.org/about/iste-story)

## What we loved

- » Diversity of an international conference
- » Perspectives of material presented
- » Authentically engaging with educators from around the world
- » Speaking with vendors 1:1 to best assess tools and programs that could benefit the district
- » Access to leaders in the field of education

# What we learned

- » Discussion strategies for innovative thinking
- » Copyright laws for education
- » Meaningful tech use such as Google 360 Tour Builder
- » Simple, meaningful tech integration for faculty meetings
- » OERs (Open Educational Resources)
- » Content equity and curation
- » Digital storytelling and digital literacy tools/resources
