Charlotte Worsley

Assistant Head of School

Geoff Ruth

Academic Dean

Lauren Gersick

Director of College Counseling

Lauren Blears Byrne

Director of Admissions

Overview

Urban School of San Francisco seeks to ignite a passion for learning. Urban's extraordinary teachers challenge our 420 students with an acclaimed academic program that combines a college-preparatory curriculum in math, science, arts and humanities with a comprehensive service learning and competitive athletics program, and a rich selection of co-curricular activities. But the most enduring aspect of an Urban education is that students learn to take responsibility for their education and become active citizens in their own communities. Located adjacent to Golden Gate Park, Urban School has been at the forefront of educational excellence since our founding in 1966, pioneering nationally regarded innovations such as block scheduling, integrated service learning and the first 1:1 laptop program at any California independent high school.

Student Activities

At Urban, we believe that high school is an important experience in its own right. Through strong relationships with their teachers, advisors and with each other, Urban students learn

early on how to navigate a culture of collaboration, inclusion and mutual respect, both inside and outside the classroom. Urban has dozens of special interest student clubs, as well as student government, an active international, outdoor and class trips program, and a student newspaper and yearbook. Performing arts opportunities include fall and winter theater productions, circus class performances and the annual One Acts. Urban also offers an advanced and junior jazz band, a chamber orchestra and The Urban Singers chorus.

Athletics

A member of the Bay Area Conference and Bay Counties League-West, Urban fields interscholastic teams in baseball, basketball, cross-country, fencing, golf, lacrosse, sailing, soccer, track, softball, tennis and volleyball. More than 65 percent of all Urban students participate in our athletics program.

Admissions

Urban seeks students with an enthusiastic approach to learning and a clear capacity for success in a challenging academic program.

The school received more than 650 applications for the incoming class, and we draw students from public, independent and parochial schools in San Francisco (78%) and across the Bay Area (22%). Urban is committed to reflecting the ethnic, racial and socio-economic diversity of the Bay Area. Our student body comprises 43% students of color, and for the 2019-20 school year, 30% of the student body will receive \$4.18 million in financial aid.

Evaluation at Urban

A nationally recognized educational leader among secondary schools, Urban's program is designed to challenge students to perform at their highest level. The assessment system includes cycles of ongoing teacher feedback and student reflection. Written reports are provided twice per term—at the midpoint and at the end of each 12-week class—along with a final course letter grade. Urban's specific, differentiated evaluative feedback fosters high levels of student engagement and depth of understanding and achievement, all of which support our mission to inspire a passion for learning.

Urban Advanced Studies (UAS): The Urban School curriculum provides an exceptionally strong college preparatory foundation across all subjects. Designated as UAS, many of our classes are comparable to college-level work in pace and content, and are recognized by colleges—including the University of California—as honors-level. Offered in every subject area, UAS coursework is developed by the Urban faculty and is not limited to the College Board Advanced Placement curriculum. Students are counseled as to the number of UAS classes taken each term.

We provide AP exam preparation in mathematics, chemistry, world languages and music theory.

Teaching and Learning at Urban School

Three-term System: A leader for more than 50 years in block system scheduling in high school, Urban's program exposes students to the independence, depth of learning and academic challenge common in college and beyond. The academic year is divided into three 12-week terms: fall, winter and spring. Students take four intensive classes each term, and many classes last for one or two terms. Due to longer class periods, a one-term class is equivalent to a semester course and a two-term class is equivalent to a year-long course.

Graduation Requirements: Urban School requires 22 academic credits for

graduation, distributed across the curriculum. One credit is equivalent to a year-long course. In completing Urban's graduation requirements, students exceed the minimum course requirements for admission to the University of California system. The school also requires physical activity credits and 9th and 10th grade health education coursework for graduation.

Service Learning: Urban's nationally regarded Service Learning program is tailored to the developmental needs of adolescents and to the educational mission of the school. The four-year program encourages students to

approach unfamiliar situations and diverse populations with empathy; to develop a sense of identity, responsibility and purpose in relation to the surrounding community; and to act on their desire and ability to affect positive, thoughtful change.

Educational Partners: Urban School has partnerships for semester-long programs with The Oxbow School, an intensive interdisciplinary program combining visual arts and academics in Napa, CA; the Mountain School in rural Vermont; and CITYTerm, an experience-based educational program in New York City.

Curricular Highlights

Urban students are encouraged to explore deeply across a range of subjects. The block system allows for college-level specificity in a broader reaching high school context. Below, we've highlighted a sampling of noteworthy Urban academic programs.

Multidisciplinary Courses

These classes span and blend traditional disciplines, encouraging students to apply their skills and knowledge across subjects. Many of these courses involve a significant field component.

- » **Cal Studies**, a one credit interdisciplinary course that explores the economic, environmental and socio-political implications of a single issue, such as water.
- » **Global Migration** examines patterns in migration, as well as the various reasons that lead people to move.
- » **Climate Change: Challenges and Solutions** engages students to dive deeply into one of the greatest challenges facing humanity, including the political, economic and social justice implications of action versus inaction.
- » **Voices of Incarceration** Through readings, writing and meeting those who have been released back into their communities, this course explores how more than 70 million Americans bear the marks of the criminal justice system.

BAY AREA
BlendEd
CONSORTIUM

Bay Area BlendEd Consortium

Urban is a founding

leader of the Bay Area BlendEd Consortium, a partnership among six leading independent high schools. BE offers classes combining face-to-face and online instruction, while preserving the core relational culture and values that are at the heart of Urban's and our partner schools' educational missions.

Environmental Sustainability

Urban offers many classes that address different aspects of our relations with the natural world, while building upon and making connections to students' prior knowledge from other disciplines. Many of our environmental sustainability classes include field trips as central components; student understanding, classroom activities and major assessments all proceed from these field experiences. By taking these classes, including UAS Environmental Science: Ecology, Marine Biology, Entomology: Bugs and Biodiversity and UAS The Naturalist as Writer, students expand their knowledge, personal connection and contextualization of key sustainability challenges.

UrbanX Labs is Urban's integrated and interdisciplinary approach to the design, technology and engineering

educational needs of the 21st century. UrbanX courses teach students the fundamentals of discovery, innovation, creativity and problem-solving, all deeply rooted in Urban's highly academic and supportive teaching environment. Courses include Electronics and Robotics, Engineering, Computer Science, Industrial Design and more.

Mathematics Urban's math program draws from traditional and contemporary approaches. Starting with Math 1, 2, 3 and Functions, which are close to the traditional Algebra 1, Geometry, Algebra 2 and precalculus sequence, we emphasize a spiraled content structure, revisiting and re-integrating concepts with increasing levels of challenge at each level. Urban elective offerings include highly conceptual options, such as UAS Infinity and UAS Space—both complements to calculus. Urban's advanced UAS Computer Science 2 and 3 are college level classes that prepare students for programming in any language.

Curriculum Guide

UAS denotes Urban Advanced Studies, Urban's most rigorous coursework.

<p>Math Three credits required 9th: Math 1A and B* 10th: Math 2A and B 11th: Math 3A and B</p>	<p>Advanced Math Applications Discrete Mathematics Statistics & Probability</p>	<p>Computer Science 1 UAS Computer Science 2 UAS Computer Science 3</p>	<p>UAS Functions UAS Calculus A and B UAS Analytic Geometry</p>	<p>UAS Space: Group Theory UAS Infinity: Theory of Infinite Sets & Chaos Theory</p>
<p>Science Two credits required 9th: Fundamentals of Science 1A and 1B (bio/chem) 10th: Fundamentals of Science 2A and 2B (bio/chem)</p>	<p>Applied Physics: Electronics & Robotics Applied Physics: Motion & Machines Astronomy Marine Biology Entomology: Bugs & Biodiversity</p>	<p>Geology Human Anatomy and Physiology Applied Chemistry: Materials Science UAS Advanced Chemistry A and B</p>	<p>UAS Advanced Chemistry C: Environmental Chemistry UAS Environmental Science: Physical Resources UAS Environmental Science: Ecology UAS Advanced Biology: Genetics</p>	<p>UAS Advanced Biology: Infectious Disease UAS Advanced Physics: Mechanics UAS Advanced Physics: Electricity and Magnetism UAS Advanced Physics: Waves and Light</p>
<p>History Two credits required 9th: World History (A and B) 10th/11th: UAS Making America and UAS Remaking America</p>	<p>South African History Birth of Modern China Comparative Religion Contemporary Issues: Research and Writing Economics</p>	<p>Screening History US Foreign Policy in the 20th Century and Beyond The French Revolution Globalization UAS Race in Latin America History</p>	<p>UAS Asian American History UAS America Transformed (1865-1929) UAS Colonial Origins UAS Constitutional Law UAS Contemporary China</p>	<p>UAS Environmental History UAS History of South Asia UAS History of Women In America UAS Modern Middle East</p>
<p>English Four credits required 9th: The Journey (English 1A and 1B) 10th: Composition (English 2A and 2B) 11th: UAS Shakespeare/Electives 12th: Electives</p>	<p>Politics and Language Examining the Good Life Journalism+ UAS British Literature: Breaking Boundaries UAS Introduction to Creative Writing</p>	<p>UAS Russian Literature: Dostoevsky and Chekhov UAS Toni Morrison UAS Advanced Shakespeare UAS American Romanticism UAS Creative Nonfiction UAS Faulkner</p>	<p>UAS Harlem: Veils of Identity UAS Joyce and Woolf UAS Nigerian Literature UAS Latin American Literature UAS Literature of Dystopia and Sci-Fi</p>	<p>UAS Modern American Literature UAS Modern Irish Literature UAS Poetry: Form and Meaning UAS The Naturalist as Writer</p>
<p>World Languages Three credits required*</p>	<p>Chinese 1-3 UAS Chinese 4-6</p>	<p>French 1-3 UAS French 4-6</p>	<p>Spanish 1-3 UAS Spanish 4-6</p>	
<p>Visual and Performing Arts Two credits required</p>	<p>Performing Arts Theater 1 UAS Theater 2 Peer Education Theater Ensemble Circus Techniques Theater Production (Fall or Winter) One Act Festival Introduction to Urban Singers Introduction to Jazz Band</p>	<p>Introduction to Chamber Orchestra Urban Singers Lab Jazz Band Advanced Jazz Band Chamber Orchestra Advanced Musical Ensemble 20th Century American Popular Music Music Theory 1</p>	<p>UAS Music Theory 2: Composition UAS Music Production & Engineering UAS Applied Music Theory</p> <p>Visual Arts Architectural Design Art as a Daily Practice Drawing/Mixed Media Graphic Design</p>	<p>Industrial Design Painting Sculpture: Clay and Mixed Media Photography Video Production Portfolio Prep UAS Advanced Art: Media Arts UAS Advanced Art: Winter Art Show UAS Printmaking UAS Stone Carving</p>
<p>Multidisciplinary Courses</p>	<p>California Studies Climate Change: Challenges and Solutions</p>	<p>Global Migration: Who, Where, Why Mathematics of Democracy</p>	<p>Voices of Incarceration UAS Rethinking Poverty</p>	<p>UAS Theater, Social Change and Community</p>
<p>Service Learning Two credits required, distributed over four years</p>	<p>Freshman Service Learning: Identity and Ethnic Studies</p>	<p>Sophomore Service Learning: Identity and Community Partnerships</p>	<p>Junior Service Learning Independent Internship and Seminar: Identity at Urban and Beyond</p>	<p>Senior Service Learning: Independent Internship and Understanding Systems of Inequity and Resistance</p>
<p>Bay Area BlendEd</p>	<p>Wilderness Studies: Conservation and Management of Public Lands in the Western US Multivariable Calculus Art History Through Inquiry</p>	<p>Beats, Rhymes & Life Introduction to Psychology Medical Problem Solving Public Health & Vulnerable Populations</p>	<p>Bay Area Cinema & Filmmaking Comic Book Literature # Entrepreneurship & Design Thinking</p>	<p>Ethics: The Good Life Introduction to Organic Chemistry Introduction to Psychology</p>

* Some students may test into second year math or language as freshmen. Courses are subject to change annually. * Does not fulfill an English requirement

Urban School of San Francisco admits students without reference to race, color, sex, religion, sexual orientation, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. Urban does not discriminate on the basis of race, color, sex, religion, sexual orientation, national or ethnic origin in administration of its educational policies, financial aid program, athletic and school-administered programs.

Urban School of San Francisco is accredited by the Western Association of Schools and Colleges (WASC) and is a member of the National Association of Independent Schools (NAIS), the California Association of Independent Schools (CAIS), the Council for Advancement and Support of Education (CASE), the Secondary School Admission Test Board (SSATB), the National Association of College Admissions Counselors (NACAC) and the Independent Curriculum Group. Urban also holds memberships in A Better Chance, Inc. (ABC), the Bay Counties League, and is a partner and summer locale for Aim High.
