

## *Welcome to DMG Campus Ministry*

The DMG's Campus Ministry role is to provide any additional support for the four community service projects initiated, sponsored, scheduled, and run by Delbarton Campus Ministry headed by Dr. David Hajduk and his team of upperclassmen service coordinators.

We are given the unique opportunity to provide much needed and appreciated time and talent to the surrounding community. We are also blessed to be able to work alongside our boys as they do the same! The four community service projects for the year include:

### **"RAISING HOPE" SUICIDE AWARENESS WALK**

Saturday, October 26

Delbarton campus and Jockey Hollow Park

This is a great day to bring all family members, including the dog, for an inspiring and informative outdoor event. Opportunities to get involved include: providing snacks, set up and clean up and participating in the walk.

### **THANKSGIVING FOOD DRIVE**

November 11-15

Delbarton campus

This is an annual collection of non-perishable food that stocks the shelves for the Community Soup Kitchen of Morristown for an entire year. Opportunities to get involved include: volunteering time to assist our boys in food collection (before or after school) by helping to weigh and record donations, and providing snacks.

### **CHRISTMAS TOY DRIVE and DISTRIBUTION**

Tuesday, December 10: Toy Collection Day on campus

Sunday, December 15: Distribution Day in Paterson

This is an annual collection of gifts and toys by the entire school community for distribution to families served by Catholic Charities in the Paterson Diocese. Collection Day is during the school day and is organized through the Deaneries. Distribution Day begins with Mass at Delbarton followed by the Holiday Event at Fr. English Center in Paterson, NJ. Opportunities to get involved include: sorting toys on collection day, providing snacks for the distribution day and assisting with the actual toy distribution.

### **WAVE-4-LIFE**

Funeral masses throughout the year

Spring Bake Sale

On Campus

Ongoing support is provided for Wave-4-Life, Delbarton's student group that participates in local and national pro-life activities. The group arranges and leads funerals with Father Hillary and Ms. Mainardi (Faculty Advisor) for the lost and homeless. Please consider attending these beautiful services.

The Bake Sale is a fundraiser that is held in the spring. The DMG provides the baked goods that are sold to the boys before and after school. All proceeds support the work of the Wave-4-Life group.

Please watch for additional information and sign ups in the weekly DMG Monday Morning Message.
