WELCOME MCNAIR STUDENTS AND PARENTS!

Attached you will find instructions to access the Aeries Parent Portal. Once an account is created, you will be able to update your emergency contact information and complete all **mandatory** authorizations required by Lodi Unified School District. This takes only a few minutes of your time and eliminates unnecessary paperwork – no more 1st Day paper packets!*

Before creating an account, an email address must be provided to our office. *Please contact us immediately if you do not have one on file or if one needs to be updated.*

In addition to reviewing emergency contact information, responses must be made to Authorizations and Prohibitions. It is also required that the following documents be read and acknowledged during the data confirmation process:

- LUSD Social Networking Guidelines
- Release of Directory Information
- Student Use of Technology
- LUSD Parent's Rights Handbook
- Textbook information and Guidelines

In keeping with our paperless goal, we encourage you to visit our website, Mcnair.lodiUSD.net, to find updated versions of our Bell Schedule, Campus Map, Student Handbook, etc., as well as other useful information.
