

## IMMUNIZATION REQUIREMENTS

The Pennsylvania Department of Health requires the following immunizations as a condition of attendance for all children entering school.

Diphtheria	4 doses – one dose after age 4
Tetanus	4 doses – one dose after age 4
Polio	3 doses – one dose after age 4
Hepatitis	3 doses – doses correctly spaced
Measles, Mumps, Rubella (MMR)	2 doses
Varicella (Chicken Pox)	2 doses given after age 1 <b>OR</b> mo./yr. of chicken pox signed by parent or doctor

### **Exceptions:**

- Medical**     A medical contraindication because of rare conditions.  
                  Requires a statement from a physician or clinic
- Religious**    Which requires a statement from parents/guardians

## PHYSICAL AND DENTAL EXAMS

A physical exam is required before entering kindergarten to make sure your child is healthy and ready for school. Take the enclosed form to your physician/clinic and have the doctor complete it. The form can then be mailed to school or returned to the school on the first day of school. Physical exams completed from last September to the present are acceptable. Your child will be scheduled for this exam at school if we do not receive a report.

A dental exam is required before entering kindergarten to make sure your child is healthy and ready for school. Take the enclosed form to your dentist/clinic and have the dentist complete it. The form can then be mailed to school or returned to the school on the first day of school. Dental exams completed from 9/1/13 to the present are acceptable. Your child will be scheduled for this exam at school if we do not receive a report.
