Liability Waiver

Dear Parent or Guardian:

Rabun County Schools has elected to be self insured for the purchased chromebooks. This insurance will cost \$15 per student, per year. While you are not required to purchase this insurance, we strongly advise that you do, as this coverage will protect your child's device against: accidental damages, theft, vandalism, fire, flood and other natural disasters. Accidental damages will be determined by the Rabun County BOE Technology staff. If you choose not to purchase the coverage for your student's device, please be advised you are liable for any and all damages done to the chromebook while in your child's possession.

If you have decided not to purchase the insurance, please sign below to accept full responsibility for your student's device.

Sincerely,

Greg Purcell
Technology Director
