Comment Verification

Lets you view the final grade for the selected grading term and the final grade comment. You can also update either from this screen. Allowing you to override the final grade and or comment.

The screenshot shows the PowerTeacher Pro interface. On the left is a vertical navigation menu with icons for Grading, Students, Progress, Reports, Settings, and Apps. The main content area is titled "Grades: Comment Verification - Q1" and "1(P) Math 6". A yellow warning banner states "Q1 has not started." Below this is a table with columns for "STUDENT (3)", "Q1", and "COMMENT". The table lists three students: Quintony Pagess (Grade A, 90%, 63/70), Brian Profit (Grade B, 81%, 57/70), and Garrett Tuppecanoe (Grade B, 87%, 61/70). Each row has a small edit icon next to the score. The top navigation bar includes a "1(P) Math 6 - S1" selector, a "Create" button, and notification, help, and user icons. Two orange arrows point to the "Grading" menu item and the "Q1" dropdown menu.
