Ms. Suzanne Spiegelman

Welcome to kindergarten! This is an important year in your child's life. Here are some things that will help to get off to a great start.

Learning new names: We are making new friends and names are important. Please let us know what name your child would like to be called, and what he/she should write on all of their work.

Send a school bag with your child every day: It should be a bag your child can easily open and close. The bag should be large enough to hold a standard sized folder, without folding. This will help to ensure that notes arrive safely at home and at school.

Dress: Please dress your child in clothes meant for play. We will try to go outside every day, weather and daily schedule permitted.

4. Kindergarten supplies:

2 pocket folders – **RED- AM class / BLUE – PM class** labeled with your child's name . **Folders with horizontal pockets hold papers best. Those with a vertical pocket cannot accommodate larger project papers.**

1 pair of headphones - _sized for a small child, to be used with ipads. **Please note that the small ear bud type of headphones, that go directly into the ear, are not recommended. The type that rests on the outside of the ear are best. Those with separate volume control are not recommended.**

(I will put each child's headphones in a Ziploc bag labeled with the child's name for their personal use.)

We are asking each child to bring in the following items to share communally in the classroom. **Names are only needed on the folders and headphones, as the other items are used by both classes:**

- 1 box of 8 primary (LARGE/FAT, **not Jumbo**) crayons –classic colors
- 1 box classic color markers
- 1 8oz bottle unscented hand sanitizer (pump style) (**AM Class**)
- 3 glue sticks (wide grip) – (**PM Class only**)
- 1 box small size Ziploc bags (sandwich or snack sized) (**AM Class Only**)
- 1 box of large size Ziploc bags (quart or gallon sized) (**PM Class only**)
- 1 roll paper towels (**AM Class only**)
- 1 box of unscented tissues (**PM Class Only**)
-

5. Special items from home: Please refrain from sending in any favorite toys, games, stuffed animals, etc., unless needed for a special project or assignment. **Please do not send in umbrellas!**

6. Read to your child every day: Bedtime is a good time to cuddle and share a book.

7. Keep in touch: Keeping the lines of communication between home and school will directly benefit your kindergartner.

8. Lastly, BE POSITIVE and get ready for a wonderful year!
