

LYME-OLD LYME SCHOOLS

Regional School District #18

A Private School Experience

in a Public School Setting

Dear Parents/Guardians of the Class of 2020,

Region 18 is happy to designate Gail Frausini of Frausini Photography as the photographer for our student photographs at the high school. Frausini Photography will provide for Lymen, free of charge, pictures of our students and will work with the Yearbook Staff and Yearbook Advisors, providing quality photography of appropriate format and excellent quality.

Among the services Frausini Photography will provide is the **option** for the taking of senior portraits. Scheduling and appointment information will be sent directly from Frausini Photography, regarding the opportunity to sit for a senior portrait session. Frausini Photography will provide selected photos directly to Lymen Yearbook promptly, with correct formatting. There is no obligation, however, for seniors to utilize Frausini Photography. Students who prefer to use another photographer may submit their own photograph to the Yearbook Staff, but it must be clearly understood that the Yearbook Staff, Advisor and the school administration have the final say as to whether or not the photograph submitted is suitable for printing in the Yearbook.

Portraits submitted from sources other than Frausini Photography need to be of high quality, and 2 ¼ inches by 3 ¼ inches. If submitted digitally (email to raitia@region18.org), photos should still be this size and a minimum of 3.5 megapixels. They should be .jpg format and titled with last and first name of student. Portraits are required to be submitted by Wednesday December 18, 2019

We look forward to including your portrait in Lymen 2020!

Sincerely,

Adam Raiti, *pd*
