Adjustments

shall be limited to ensure contract days occur on weekdays and that holidays are taken on generally accepted days.

The time may be extended by mutual consent, but no unit member will be required to stay beyond the one (1) hour. Each Monday's designation will be set and made available to unit members prior to the first early release Monday of the school year.

K-5 unit members who would otherwise lose their prep on early release days will be given 30 minutes, for the purpose of preparation, after the last scheduled class and prior to the beginning of early release activities. 7. The District shall not implement more than a six period day structure (separate from advisement) that adds additional preparations for the unit members without first negotiating this with the Association.
8. In addition, all unit members shall be entitled to utilize the remainder of the normal on-campus workday following the last regular classroom period for preparation and planning unless the District requires them to attend a meeting or perform other adjunct duties.
9. Unit members with split assignments, as defined in Article VIII, D.1.a, shall have their prep period scheduled between their split assignments and contiguous to nutrition break or lunch as applicable. These four (4) release days must be taken on a Tuesday, Wednesday or Thursday, and worked at a TUSD site. The unit member is responsible for entering each release day as "school business" in the absence reporting system to obtain a substitute. When no substitute is available, internal coverage shall be arranged by the school site.

ARTICLE VII

DUTIES

A. ASSIGNMENT OF SUBSTITUTES ✓

1. For a reported absence of less than a half day, unit members may, if they choose to do so, attempt to obtain a preferred teacher (or teachers) to substitute for them from within their same subject matter or grade level. In such a case, the procedure is as follows:
 - a. Upon successfully obtaining a preferred teacher (or teachers), the unit member shall make a good faith effort to notify the site administration or designee of the teacher (or teachers) providing the coverage.

- b. In the case that a unit member is unsuccessful in obtaining a preferred teacher (or teachers), the unit member shall notify the site administration or designee.
 2. In the event a District substitute is unavailable, the administration shall cover the vacancy in order of priority as follows:
 - a. A unit member may voluntarily sign up to substitute during his/her preparation period or volunteer to take on additional students during their instructional day. These unit members will be asked, on a rotational basis, to substitute during their prep time or take on additional students on a school wide basis.
 - b. In the absence of volunteers, K-12 unit members may be required, on a rotational basis, to substitute or take on additional students twice during the first 90 instructional days of the school year and twice during the second 90 instructional days of the school year.
 - c. Unit members may be required to substitute or take on additional students more than twice in a 90-day period in case of emergency. During an emergency, unit members will be assigned to cover a vacancy or take on additional students on a rotational basis. The definition of an emergency is when a situation exists where a class is unavoidably uncovered, a District substitute is unavailable, and the District has attempted to recall to their classrooms, when feasible, teachers who are out on school business.

B. COMPENSATION FOR COVERAGE

1. Unit members who substitute during their preparation period shall be compensated at the Class Coverage pay rate, shown on Appendix B, in the following manner:
 - If the unit member works less than 30% of the period, the unit member shall receive 1/3 of the class coverage pay rate shown on Appendix B.
 - If the unit member works 30% or more of the period, the unit member shall receive compensation for a full class period.
2. K-12 unit members shall be compensated 1/30th of the District's Class Coverage pay rate as shown on Appendix B per hour, or portion thereof, for each student assigned to his/her class because a substitute is unavailable. Compensation will be based on the amount of time that the student(s) is under the direct supervision of the unit member.
3. The District Class Coverage pay rate shall be increased annually by the same percentage as the regular salary schedule for the duration of this contract. Unit members shall be compensated monthly within the Supplemental Pay System.
4. 4th and 5th grade teachers will be paid for the loss of prep when the music or PE teacher is unavailable and there is no sub. The unit member will be compensated at the class coverage rate identified in Appendix B.

5. Unit members teaching a combo class at grades 4 and 5 excluding SDC, RSP, and other Special Ed classes or other specialized programs will receive a stipend located in Appendix A and B.

C. COMPENSATION FOR VOLUNTARY ACTIVITIES

1. Unit members who are assigned and perform duties at the following activities will be compensated at the hourly rate shown on Appendix D.

Sites may develop additional acceptable forms of notification.

F. SUPERVISION

1. The unit members of this District agree to continue to assist the administration in supervising students outside of the classroom as long as the administration shall support the unit members in performing such duties. The unit members and administrators of this District recognize that an efficient and successful school system requires supervision and discipline of students when students are outside the classroom. The District recognizes that the unit members of this District are professional educators, whose primary responsibility is the education and supervision of their students in and outside the classroom. Supervision and discipline are the responsibility of unit members and administrators. Supervision duties associated with night football, night basketball, and night dances shall be paid voluntary assignments.
2. Unit members at the middle schools shall not be required to perform supervision during the nutrition break, except in cases of emergency. 2. Assignment to Saturday School shall be voluntary and implemented on a rotational basis. For each Saturday School session, priority assignment will be given to unit members assigned to the site or sites at which the student attendees are enrolled. The rotation of these unit members will be assigned by the site principal or designee. If none of the volunteers from the participating schools are available on any given Saturday, assignments may be offered to interested unit members from other sites.
3. At each site where Saturday School is held, a minimum of two (2) certificated employees will be assigned, at least one of which must be a unit member.

If the meeting is to exceed one (1) hour past the contract day, the unit member will be asked if they are willing to stay or wish to have the meeting rescheduled. If the unit member cannot stay, then the unit member will either be excused or the meeting will be rescheduled.

3. In the event of an emergency, the site administrator will schedule a parent/teacher conference to take place as soon as possible after making a good faith effort to notify the unit member in advance.

I. CRISIS SITUATIONS

1. In a crisis situation, all certificated personnel shall be utilized in a cooperative effort to maintain safety and security on the campus. This shall be done in an effort to maintain a normal educational program. Under these conditions, assignments shall not be made which are unsafe to any unit member. A crisis situation, for the purpose of this paragraph, is defined as a clear and present danger of physical harm to students and staff.

J. ADJUNCT DUTIES

1. All unit members are required to perform site-based adjunct duties as part of their professional responsibilities. Adjunct duties are defined as those additional duties and responsibilities that are determined by school staff to be necessary to the operation of the school and District and/or enrich the school learning experience for students beyond the classroom. Adjunct duties, by definition, may vary from site to site.
2. The principal and unit members at each elementary and middle school site shall meet annually to jointly determine adjunct duties and the procedure to be used for distributing them among unit members on an equitable basis, to the extent possible. These decisions shall be confirmed by a majority vote. Individual sites may deem that extenuating circumstances exist for specific individuals when distributing adjunct duties on an equitable basis.
3. Adjunct duties at the high school level will be determined and assigned at each high school site in the District by an Adjunct Duty Committee.
 - a. An Adjunct Duty Committee will be comprised of one unit member representative per fifteen (15) or part of fifteen, unit members at each respective school site, plus three (3) site administrators.

- b. Request for volunteers will go out on or before February 1. Should the ratio 1:15 not be established by February 15, the ratio will change to 1:20. The site Adjunct Duty Committee formation and decision-making process shall begin after February 1st of each school year and shall not extend beyond May 15th.
 - c. The Adjunct Duty Committee will meet each school year. Its sole function is to determine the list of site adjunct duties, their weighted equity, and the process for assigning those duties to the staff. The committee shall make its decisions by consensus. Consensus is defined as everyone being able to live with that decision.
 - d. Once the committee has reached a consensus, it will be reported to the faculty and put to a majority vote for approval. If approved, the site's adjunct duties will be implemented for the following school year. If the plan fails to receive a majority vote, it goes back to the committee (see section g).
 - e. Should a consensus not be reached, the committee's work to date shall also be reported to the faculty for review and input. The committee shall reconvene to deliberate and attempt to reach a consensus.
 - f. If the committee is successful in reaching consensus upon a second attempt, the process of faculty decision-making and implementation shall take place upon a majority approval (see section e above).
 - g. Should a consensus not be reached by the committee upon a second attempt, this work to date will be reported to the faculty and the previous year's list of adjunct duties and the process for implementation shall be enacted for the following school year.
 - h. Should a majority vote for approval fail on the second attempt, or, if the May 15th site decision-making deadline is not met, then the previous year's list and process for implementation shall be enacted for the following school year.
4. Adjunct duties shall not include duties that are paid or that are related to association activities.

K. STUDENT PROGRESS REPORTS

- 1. All high school and middle school unit members shall complete a mid-quarter, computer generated, student progress report for each student currently enrolled in their respective courses. This report shall be transmitted by the District to the parents or guardian of each student. - 2. The progress report shall be on a District approved form which will include, but not be limited to, the following information:

- a. Satisfactory or unsatisfactory progress.

5. Middle school unit members shall complete and submit student grade reports within three (3) working days of the end of the first three quarters.
6. High school unit members shall complete and submit student grade reports within three (3) working days of the end of the first and third quarters and within four (4) working days of the second quarter. If the first student day after the first semester is a Monday, then the early release Monday will be set aside for teachers to complete grades.
7. K-12 unit members shall be provided a minimum day at the end of each grading period to complete student grade reports.
8. The District will continue to make a good faith effort to provide K-12 unit members access to a computer grading program for the purpose of issuing progress and grade reports.

L. ASSESSMENTS

District assessments are for the purpose of determining student academic progress and guiding instruction. The District will assist unit members in administering District assessments. The District and TEA will form a committee to review assessment impacts and make recommendations to the negotiating teams for consideration.

- M. Any 9th grade through 12th grade unit member interested in teaching extra class sections for the following school year may submit a written request to the principal at his/her site by February 1. The site administration shall consider all requests, along with other unit members at the site, prior to additional teaching sections being assigned. The Principal retains the right to assign extra class sections.
- N. Any 9th grade through 12th grade unit member interested in serving as a department chair when there is a vacancy for department chair for the following school year may submit a written request to the principal at his/her site by February 1. The Principal shall electronically share the submitted names, and any other candidates' names, to department members. The department members may provide written feedback to the Principal prior to February 28. The site administration shall consider all requests, along with other unit

members at the site, prior to department chair positions being assigned. The Principal retains the right to select the department chair.

Please also see additional language in Article XXXIV B.3., MTYRE.

ARTICLE IX

GRIEVANCE PROCEDURE

A. DEFINITIONS

1. A "grievance" is an allegation that the District has violated this Agreement. To the extent that the Association, as distinguished from those it represents, has rights pursuant to this contract, the Association may file and pursue a grievance in the same manner as though it were a grieving unit member.
2. An "immediate supervisor" is the lowest level supervisor or site administrator who has been designated by the District to adjust grievances and who has direct responsibility for the grievant.
3. For the purpose of this procedure, a "day" is any day of the 183 work days that association members, under the Master Agreement, are required to provide to the District as identified in the yearly adoption of the annual calendar.

B. PROCEDURE

The grievant shall be entitled, if he/she also requests, to be represented by the Association at all steps of the grievance procedure.

1. Step 1
If a grievant believes that there is a basis for a grievance, he/she shall first discuss the possible grievance with his/her immediate supervisor. A reasonable effort to resolve the matter informally is incumbent on both the unit member and the supervisor.

2. Step 2

If a grievance is not resolved under the Step 1 procedure, the grievant shall submit a written statement of the grievance to the immediate supervisor with a copy sent to the Superintendent. Such statement shall be on a mutually agreed-to form and shall contain: the name of grievant; a listing of the provision(s) of the Agreement alleged to have been violated; a statement describing the precise conduct of the District that is alleged to have violated the Agreement (including all names, dates, and places necessary for a complete understanding of the grievance); and a listing of the specific actions requested to remedy the grievance. This written statement of the grievance shall be filed within thirty (30) days after the occurrence of the event giving rise to the grievance or within thirty (30) days after the grievant through reasonable diligence should have obtained knowledge of the occurrence of the event giving rise to the grievance. The grievant and his/her supervisor shall meet within ten (10) days after the supervisor receives the grievance. The purpose of the meeting is to clarify the interests of the parties and explore options in order to resolve the grievance. If the grievance is resolved, the parties shall sign a statement of resolution. Should there be no resolution, the supervisor shall present a written answer to the grievant and his/her representative within ten (10) days of the meeting. The District shall provide the Association with copies of all formal grievances filed.

3. Step 3

If the grievance is not settled in Step 2, the grievant may appeal it to the Assistant Superintendent for Human Resources. Such appeal shall be in writing and shall be submitted within ten (10) days after the grievant receives the Step 2 answer. This appeal shall include a copy of the original grievance, the Step 2 answer, and a detailed statement of the reasons for the appeal. The grievant and the Assistant Superintendent for Human Resources shall meet within ten (10) days after the Assistant Superintendent receives the grievance in order to clarify the interests of the parties and explore options to resolve the grievance. If the grievance is resolved, the parties shall sign a statement of resolution. Should there be no resolution, the Assistant Superintendent shall present a written answer to the grievant and his/her representative within ten (10) days of the meeting.

4. Step 4

If the grievance is not settled in Step 3, the grievant may appeal it to the Superintendent. Such appeal shall be submitted within ten (10) days after the grievant receives the Step 3 answer. This appeal shall include a copy of the original grievance, the Step 2 and Step 3 answers, and a detailed statement of the reasons for the appeal. The grievant and the Superintendent shall meet within ten (10) days after the Superintendent receives the grievance in order to clarify the interests of the parties and explore options in order to resolve the grievance. If the grievance is resolved, the parties shall sign a statement of resolution. Should there be no resolution, the Superintendent shall present a written answer to the grievant and his/her representative within ten (10) days of the meeting.

5. Step 5

- a. If the grievance is not resolved in Step 4, the Association may within ten (10) days notify the District of the Association's decision to submit to arbitration. Within seven (7) days thereafter, the District and the

Association shall attempt to reach agreement on an arbitrator. If such agreement is not reached, the State Conciliation Service shall be requested to supply a list of seven (7) names. The arbitrator shall then be selected by the alternate striking method. Either party shall have the right to reject any list in its entirety and request a new list.

- b. The hearing to consider the grievance shall be conducted by the arbitrator and shall occur at a time and place which is mutually acceptable to the parties and the arbitrator.
- c. The decision of the arbitrator shall be final and binding on the parties. The arbitrator shall have no power to alter, amend, change, add to or subtract from any of the terms of this Agreement, but shall determine only whether there has been a violation of this Agreement in the respect alleged in the grievance.
- d. If the arbitrator rules in favor of the grievant, the District shall be responsible to pay all costs associated with the arbitration. If the arbitrator rules in favor of the District, the grievant shall be responsible for all associated costs of the arbitration.
- e. Either party may request a certified court reporter to record the arbitration hearing. The cost of the services and expenses of such reporter shall be shared equally by the parties. Each party shall pay for its own copy of the reporter's transcript if it wants such a copy.

C. GENERAL

- 1. A grievant may choose to present and resolve his/her grievance without the intervention of the Association. However, if the grievant decides not to have the Association represent him/her, his/her grievance shall not be considered settled without the Association having been given a copy of the grievance, a copy of the proposed resolution, and an opportunity to file a response.
- 2. Inasmuch as dissatisfactions and disagreements arise among persons in any work situation, the filing of a grievance by a unit member shall not be construed as reflecting unfavorably upon a unit member's good standing, performance, loyalty, or desirability to the District. Furthermore, neither the District nor the Association shall take any reprisals against each other or any unit member, administrator, or other person based upon his/her participation or non-participation in the grievance procedure.
- 3. A grievance must be filed within the time limits set forth herein or else the right to file it shall be considered waived. A grievance must be appealed within the time limits set forth, or the grievance shall be considered settled on the basis of the last answer given. Such settlement shall be binding on all parties. If a District representative fails to answer a grievance within the time limits provided at a particular step (unless such time limits are extended by written agreement), the grievance may be appealed to the next step within the appropriate time limits. The

time limits on the filing and processing of grievances may be extended only by a written agreement signed by the parties.

4. Time limits provided for at each level shall begin on the day following receipt of the written grievance, written grievance appeal or written decision. The time limits may be extended or shortened by mutual agreement.
5. The time limit for the processing of grievances shall be held in abeyance during such time as any necessary party is incapacitated as a result of illness or injury or absent from the District on paid status. At the request of the grievant, the time limits for the processing of grievances shall also be held in abeyance up to thirty (30) days when the grievant is on unpaid status, except where the grievant is on unpaid status due to being suspended without pay. This provision shall not apply to the time limits for the filing of grievances.
6. The filing or pendency of any grievance shall in no way operate to impede, delay, or interfere with the right of the District to take the action being grieved, nor justify the grievant's refusal to perform assigned duties.
7. Records involved in a grievance shall be kept in a file separate from the grievant's official personnel file, except for material which otherwise would be appropriate for his/her personnel file.
8. Grievance meetings including hearings will be scheduled at mutually convenient times and places. Every effort will be made to schedule grievance meetings so as not to conflict with the regular workday of the participants. If any grievance meeting or hearing is scheduled during the regular workday, the grievant and any unit member required by either party to participate as a witness or representative shall be released without loss of pay for such time as his/her attendance is required at the meeting.
9. The grievant's failure to attend scheduled grievance meetings shall be deemed a waiver by the grievant of the right to pursue the grievance.
10. A grievant may voluntarily terminate a grievance at any time by giving written notice thereof to the District Superintendent.
11. Each party shall bear the cost of his/her/its own representatives or witnesses involved in any grievance meeting or hearing.

- A. Any unit member who is a member of Tracy Educators Association (TEA), California Teachers Association (CTA), National Education Association (NEA), or who has applied for membership, may sign and deliver to the District an authorization for appropriate deduction fee of unified membership dues, initiation fees and general assessments for the Association. Pursuant to such authorization, the District shall deduct one-tenth (1/10th) of such dues from the regular salary check of the unit member each month for ten (10) months.

Deductions for unit members who sign such authorization after the commencement of the school year shall be one-tenth (1/10th) of the annual total for each of the remaining months of the contract year.

B. Any unit member who is not a member of the TEA/CTA/NEA, or who does not make application for membership within thirty (30) days of commencement of assigned duties, shall pay to the Association a fee in an amount equal to unified membership dues payable to the Association in one lump-sum cash payment or, in the event that a unit member shall not pay such fee directly to the Association, the District shall immediately begin automatic payroll deduction as provided in the Education Code Section 45061 (or 87834) and in the same manner as set forth in section 3 of this Article. There shall be no charge to the Association for such mandatory agency fee deductions so long as this does not result in additional costs to the District. The parties agree further to enforce this provision by utilizing the provisions of Government Code Section 3540.1 (i) 2.

C. Any unit member who is member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join or financially support TEA/CTA/NEA as a condition of employment; except that such unit member shall pay, in lieu of a service fee, sums equal to such fee with pro-ration referred to in section 1 to one of the non-religious, non-labor organization charitable funds listed in section 3, which are exempt from taxation under section 501(c) (3) of Title 26 of the Internal Revenue Code.

Any unit member who chooses not to join the Association for personal reasons shall not be required to join or financially support TEA/CTA/NEA as a condition of employment; except that such unit member shall pay, in lieu of a service fee, sums equal to such service fee to one of the non-religious, non-labor organization charitable funds listed in section 3, which are exempt from taxation under section 501 (c) (3) of Title 26 of the Internal Revenue Code.

3. Kiwanis Teacher Scholarship Fund for certified unit members employed within the Tracy Unified School District who are covered by this collective bargaining agreement

Proof of payment and a written statement of objection in compliance with section 3 above, shall be made by the objecting unit member, on an annual basis, to the District as a condition of continued exemption from the provisions of sections 1 and 2 of this Article. Payment shall be in the form of receipts and/or canceled checks indicating the amount paid, date of payment, and to whom in lieu of the service fee has been made. Such proof shall be presented on or before service fee has been made. Such proof shall be presented on or before November 1st of each school year. New unit members hired after November 1st shall be allowed until March 1st of that school year to submit such proof.

The Association shall have the right of inspection in order to review said proof of payment.

Any unit member who holds conscientious objections pursuant to Government Code section 3546.3, who requests the employee organization to use the grievance procedure on unit member's behalf, the employee organization is authorized to charge the unit member for the reasonable cost of using such procedure.

Any unit member may change to whom his/her fee is paid at any time provided that written notification is given to the Assistant Superintendent for Human Resources.

ARTICLE XI

PROGRESSIVE DISCIPLINE

A. GENERAL

1. The District shall have the right to impose disciplinary action, both orally or written, and suspension, for just cause.
2. This article shall not limit the District's right to evaluate or to reprimand orally or in writing or to counsel unit members. Nor shall anything in Article XVII - "Evaluation Procedures," limit the District's right to discipline unit members pursuant to this article.
3. The unit member may request the presence of an Association representative at any meeting scheduled by an administrator where discipline (or the reasonable possibility of discipline) is the reason for meeting.
4. Administrators shall notify unit members in advance of any meeting scheduled for the purpose of taking disciplinary action toward the unit members.
5. Each step of progressive discipline must be preceded by the previous step within a forty-eight month period, except when the Superintendent or designee determines that the misconduct justifies the skipping of steps of progressive discipline.

B. STEPS OF PROGRESSIVE DISCIPLINE

1. The steps of progressive discipline shall be followed by the district except when the Superintendent and/or designee determine that the misconduct justifies the skipping of steps of progressive discipline.

The administrator shall meet with the unit member within 30 shared working days (working days for both the administrator and unit member) of when the administrator became aware of incident(s) or event(s) that might result in disciplinary action.

STEP 1: Oral Counseling

The Oral Counseling session shall be a scheduled meeting between the administrator and the unit member.

STEP 2: Letter of Concern

A Letter of Concern shall report the specific acts or omissions upon which the concern is based and shall specify the administrator's expectation for improvement.

It shall not be placed in the unit member's personnel file, except as attachments to a written reprimand. The unit member shall have the right to attach his/her statement of rebuttal to any Letter of Concern. Such statements of rebuttal shall remain with the Letter of Concern if attached to a letter of reprimand. A Letter of Concern shall also include a statement explaining that if the act/omission occurs again, further disciplinary action may be taken with the unit member.

STEP 3: Letter of Warning

A Letter of Warning shall report the specific acts or omissions upon which the concern is based and shall specify the administrator's expectation for improvement. It shall not be placed in the unit member's personnel file, except as attachments to a written reprimand. The unit member shall have the right to attach his/her statement of rebuttal to any Letter of Warning. Such statements of rebuttal shall remain with the Letter of Warning if attached to a letter of reprimand. A Letter of Warning shall also include a statement explaining that if the act/omission occurs again, further disciplinary action may be taken with the unit member.

STEP 4: Letter of Reprimand

The unit member shall sign the written reprimand, only to acknowledge receipt and not to imply concurrence. All written reprimands shall include a standard statement from the District informing unit members of the following:

- a. The written reprimand shall be placed in the unit member's personnel file.
- b. The unit member has the right to submit a written rebuttal to the written reprimand at any time, and that such rebuttal shall be permanently attached to the written reprimand.

C. PROCEDURE FOR IMPOSING SUSPENSION WITHOUT PAY

1. Prior to suspension, the District shall give written notice to the unit member. This written notice of suspension shall be deemed sufficient if personally delivered or sent to the unit member by certified mail, return receipt requested, at least five (5) working days prior to the date when the suspension is proposed to be affected.
2. The contents of the written notice shall include, but need not be limited to, the following:
 - a. A statement of the specific act and omissions upon which the suspension is based;
 - b. A statement of the cause, or causes, for the action taken;

 - g. A statement that if the unit member does not respond pursuant to (e) or (f) above, the District will impose the suspension as noticed;
 - h. The pre-suspension conference, unless waived, shall take place not less than five (5) working days nor more than ten (10) working days from the date of the notice.
- 3. The pre-suspension conference shall be informal. The unit member shall be given the opportunity to present facts and arguments regarding the proposed suspension.
 - 4. The Assistant Superintendent for Human Resources shall inform the unit member of the decision to suspend or not to suspend within three (3) working days from the date of the pre-suspension conference.
 - 5. Any grievance submitted by the unit member, must be within ten (10) working days from receipt of the Assistant Superintendent's decision.
 - 6. The maximum length of any one such suspension shall be ten (10) working days, provided, however, that this shall not limit the District's right to impose a suspension without pay of less than ten (10) working days. There shall be no limitation of the number of times that the District may suspend a unit member without pay for just cause except that no unit member shall be suspended without pay for just cause more than once for the identical specific incident.

For the purpose of this article, movement is not intended to include such activities as the holding of office hours or special program needs such as ROP, Fine Arts, Voc. B. VOLUNTARY TRANSFERS

- 1. By January 1st of each school year each unit member shall be notified that the District is accepting requests for transfers for the following school year. The unit member shall submit his/her request on the District's transfer/reassignment request form to the Associate Superintendent of Human Resources. This request must be submitted on or before March 1st.

The requesting unit member will be considered for any specific opening requested for which the unit member is properly credentialed. New openings will be posted in the Human Resources Office. Consideration may include an interview with the site principal. The site administrator shall make a recommendation to the Associate Superintendent of Human Resources who will make the final decision and notify the unit member.

Transfer requests will remain on file until the first day of school.

Between March 1st and the end of each school year a list of known and anticipated openings for the following school year will be sent to each site for posting. In addition, the list of known and anticipated openings will be posted in the Human Resources Office. The list will be updated as needed and an up-to-date copy posted

in the Human Resources Office. Each time that a revised posting is sent to colleges/universities (between January 1st and the last day of school) a copy will be sent to each site for posting. Any unit member wishing to transfer to a posted position may submit a transfer request and be considered along with outside applicants and other unit members who have previously submitted a transfer request.

During the summer months the openings will continue to be posted in the Human Resources Office. Interested unit members who have not previously submitted a transfer/reassignment request, can do so by contacting the Human Resources Office and will then be considered along with outside applicants.

5. When, as determined by the Superintendent or his/her designee, the qualifications of candidates for a particular position are equal, present unit members shall be given preference over non-unit members. All other criteria being equal, the unit member's length of service in the District shall be a consideration in making the final determination. However, when staffing a new school, the District shall make a good faith effort to balance the staff between current unit members and newly hired unit members.
6. When a transfer request is submitted to the District, the District will provide the unit member with an oral or written response to their transfer request by the end of the school year.
7. Unit members returning from leave shall be afforded all rights provided under this section.

A unit member shall submit his/her request on the District's transfer/reassignment request form to the school site principal. This request must be submitted on or before March 1st. Consideration may include an interview with the site principal. The site administrator shall inform the Assistant Superintendent of Human Resources of the decision. Reassignment requests will remain on file until the first day of school.

Between March 1st and the end of each school year a list of known and anticipated openings for the following school year will be posted at each site by the principal. The list will be updated as needed and an up-to-date copy posted at the site. Any unit member wishing to be reassigned to a posted position may submit a reassignment request to the principal and be considered along with outside applicants and other unit members who have previously submitted a reassignment request.

If a specific opening occurs during the summer months, the position will be posted in the Human Resources Office. Interested unit members who have not previously submitted a transfer/reassignment request can apply for the position by contacting the Human Resources Office and then will be considered along with outside applicants and other unit members who have previously applied.

If a reassignment opportunity occurs after the start of the school year, the principal shall notify the current site staff of the reassignment opportunity. A unit member shall submit his/her request to the school site principal. When a reassignment opportunity occurs, the unit member will be considered for the specific reassignment requested for which the unit member is properly credentialed. Consideration may include an interview with the site principal. The site administrator shall inform both the unit member and the Assistant Superintendent of Human Resources of the decision.

2. Filing a request for reassignment shall be without prejudice to the unit member in the unit member's present position.
3. A request for reassignment may be withdrawn at any time prior to official notification of reassignment approval. Such withdrawal shall be in writing, dated and signed by the unit member who originally requested the reassignment.

 - j. Unit member(s) transferred/reassigned shall, upon request, be advised in writing as to the reasons for such transfer/reassignment.
2. When the District, through its Superintendent or his/her designee, determines that it is necessary to transfer/reassign a unit member involuntarily, the determination of which unit member will be transferred/reassigned shall be at the sole discretion of the Superintendent or his/her designee. If there is an RI or U on the Final Evaluation, the unit member shall be evaluated in accordance with Article XVII, Sections C and G, and then returned to the evaluation schedule for permanent employees not on a 5-year Formal Evaluation Cycle. Unit members who successfully complete a 5-year Formal Evaluation Cycle may reapply to participate in a subsequent 5-year Formal Evaluation Cycle. Unit members who have been removed from a 5-year Formal Evaluation Cycle may reapply to participate in a subsequent 5-year Formal Evaluation Cycle in accordance with Article XVII, section C.2.a.

- iii. The unit member will be removed from the 5-year Formal Evaluation Cycle if he/she receives a letter of concern or higher after being placed on a 5-year Formal Evaluation Cycle.

D. EVALUATION STANDARDS

Unit member performance shall be evaluated and assessed as it reasonably relates to:

1. Engaging & supporting all students in learning

The District shall establish and define job responsibilities for those certificated non-instructional personnel whose duties and responsibilities the District believes cannot be appropriately evaluated using the evaluation standards in this section. The Association shall be consulted prior to a change in a bargaining unit member's job description. The District shall evaluate and assess the competency of such unit members as it reasonably relates to the fulfillment of those responsibilities.

E. MODIFICATION OF OBJECTIVES:

During the course of the evaluation period, circumstances may change which require modification of the original objectives. The unit member may request a change of these objectives in the manner prescribed in section C.1.a.iv above.

F. CONFERENCES

1. An evaluation conference shall be held with the unit member to discuss the final evaluation report which is a summary of the unit member's performance for the school year. The evaluation report shall be reduced to writing on the evaluation form currently being used as shown in Appendix G, and a copy provided to the unit member no later than 30 days before the last school day scheduled on the school calendar adopted by the governing board for the school year in which the evaluation takes place. A copy of the evaluation report shall be placed in the unit member's personnel file.
2. Any evaluation which contains an unsatisfactory rating of any unit member's performance shall include, but is not limited to:

3. In addition to the foregoing, the evaluator shall also be responsible for providing certain assistance to the unit member being evaluated. If, at any time during the evaluation period, the evaluator determines through formal evaluations or informal observations or other performance assessments that the unit member needs to show improvement to meet the stated objectives, standards of performance, or other areas of evaluation, he/she shall inform the unit member in writing of such fact and describe such performance that is less than satisfactory. The evaluator shall thereafter confer with the unit member making specific recommendations as to areas of improvement in the unit member's performance and endeavor to assist the unit member in such performance.

G. FINAL EVALUATION:

- 1. Ratings which are negative shall normally not be made unless there are at least two separate references to negative ratings in a single evaluation standard on either formal evaluations or informal classroom observations or other performance assessments (identified in section D, 1-7 of this Article.)
- 2. When a negative evaluation is based upon a single deficiency, the unit member shall be evaluated using the Standard Formal Evaluation Process the following year, only in the evaluation standard affected by the single deficiency.

When a negative evaluation is based upon more than one deficiency, the unit member shall be evaluated the following year in all evaluation standards using the Standard Formal Evaluation Process in accordance with Article XVII, section D and Appendix G.
- 3. The unit member shall sign the evaluation report at the evaluation conference. The signature does not necessarily indicate that the unit member endorses or agrees with the contents of the report. Within fifteen (15) days after the evaluation conference, the unit member may submit a written response to the evaluation report which may include conditions which the unit member believes are beyond his/her control. The

written response shall be attached to the evaluation report and become a permanent attachment to the unit member's personnel file.

The District shall respond to the unit member indicating the disposition of the recommendation, which response shall upon request, be in writing.

ARTICLE XIX

CONSULTATION RIGHTS

- A. It is recognized that the Association has the right to consult on the definition of educational objectives, the determination of the content of courses and curriculum, and the selection of textbooks to the extent such matters are within the discretion of the District under the law. If the Association desires to exercise this right to consult on the above mentioned matters, it will do so by requesting a meeting with the Superintendent to discuss such matters. The Superintendent or his designee will schedule a meeting within a reasonable amount of time with a committee of three (3) unit members designated by the Association, which shall be at a time when the certificated unit members do not have classroom responsibilities unless mutually agreed otherwise.
- B. The purpose of such meeting shall be to ascertain the views of the Association regarding those issues subject to this consultation process. Sufficient time shall be allocated for consultation to insure that the views of the Association and the District can be ascertained

regarding the matters being considered. Joint reports of consultation meetings may be made to the Board of Trustees in written form or presented at a public Board of Trustees meeting.

- C. Once the Superintendent or his designee has received the views of the committee at such a meeting, the District has met the requirements of consultation specified in Government Code Section 3543.2. Nothing in this consultation process shall be deemed to make the above mentioned matters subject to the "meet and negotiate" process.
- D. The procedure set forth in this Article shall not apply to other consult provisions contained in other Articles of this agreement unless otherwise expressly provided in such other Articles.

ARTICLE XX

LEAVE OF ABSENCE

- A. The Board of Trustees of the District may grant a unit member an unpaid leave of absence for a period not to exceed twelve (12) months. A twelve (12) month extension of such leave may be granted at the discretion of the District. Such leaves are normally granted only for reasons of health, educational improvement or academic advancement. An extension of such leave will normally be granted only when there is a distinct advantage accruing directly to the District from such extension.
- B. Written request for such leave shall first be submitted by the unit member to his/her principal or immediate supervisor. Such request shall set forth in detail the reasons for such request and the requested duration of any such leave. Upon receipt of such request, or as soon thereafter as is reasonably practicable, the principal or immediate supervisor shall acknowledge such request, making a recommendation thereon that such request either be granted or denied and forward such request to the District Superintendent. The District Superintendent shall, at the next regularly called meeting of the Board of Trustees of the District, present such request to said Board with the recommendation that the request either be granted or denied setting forth the reasons for such recommendation. Upon the granting or denying of such request by the Board of Trustees, the District Superintendent shall notify the unit member of the disposition of the request.
- C. A unit member granted a leave of absence under the provisions of this Article, shall notify the District Superintendent in writing, no less than sixty (60) days before the expiration of such leave or before April 1st, whichever is earlier, of his/her intention to return to service. No later than ten (10) days before such notice is due, the District Superintendent shall, by registered or certified mail, remind such unit member of his/her obligation to so notify the District. If the unit member then fails to so notify the District, such failure shall be deemed to be a waiver of his/her right to return to his/her position as an unit member of the District effective upon the expiration of such leave or upon the date such notice is due, whichever is later.
- D. A request for such leave based on reasons other than health, educational improvement or academic advancement will be given consideration. Such requests will be granted or denied based on the benefits accrued directly to the District, the urgency and compelling reasons for such requests and the employment record of the unit member making such requests.

- E. The District Superintendent may require that any such request for reasons of personal health be supported by the written recommendation of a licensed physician and, before reinstatement, may also require a statement from a licensed physician indicating that such unit member is physically capable of performing his/her assigned duties.
- F. Any unit member absent from work except as authorized with pay in this agreement or in the Education Code shall receive no pay for the period of such absence.
- G. Any unit member on an unpaid leave of absence may elect to continue coverage under the District's fringe benefit insurance program by paying to the District monthly the premiums therefore, provided that such continuation is permissible under the contract between the District and the insurance carrier.

Bereavement leave days must be initiated within seven (7) days of the death; however, the District will review extreme extenuating circumstances.

- B. When an Industrial Accident or Illness Leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due him/her for the same illness or injury.
- C. During any paid industrial leave of absence, the unit member shall endorse to the District the temporary disability indemnity checks received on account of his/her industrial accident or illness. The District, in turn, shall issue the unit member appropriate salary warrants for payment of the unit member's full salary and shall deduct normal retirement and other authorized contributions.
- D. Any unit member receiving benefits from an Industrial Accident or Illness Leave shall, during periods of injury or illness, remain within the State of California, unless the District authorizes travel outside the state.

- D. Within six (6) months after the term of office of such unit member expires, he/she shall be entitled to return to the position held by him/her at the time of his/her election at the salary to which he/she would have been entitled had he/she been absent from the service of the District under the provisions of this Article.

ARTICLE XXVI **MATERNITY LEAVE**

- A. Any female unit member shall be entitled to utilize available sick leave when required to be absent from duty because of pregnancy, miscarriage, childbirth, and recovery therefrom. The length of the leave of absence including the date on which the leave commences and the date on which the unit member resumes duties, shall be determined by the unit member and the unit member's physician.

- B. Unit members on leaves of absence for disabilities caused or contributed to by pregnancy, miscarriage, or childbirth shall be entitled to leave with pay in addition to that provided under Article XXIX, Section A (5) only if such additional paid leave is necessary to ensure that maternity-related leaves are treated in the same manner as leaves for illness, injury, or disability.
- C. The unit member shall notify the Assistant Superintendent for Human Resources of the projected date on which the leave is expected to commence and the probable date on which the unit member shall resume her duties, such notice to be given not less than thirty (30) days prior to the expected commencement date of such leave. The Assistant Superintendent for Human Resources shall waive such notice upon receipt of a request from the unit member's physician stating that such leave must commence for medical reasons less than thirty (30) days from the date of notice.
- D. A unit member may take additional leave without pay and will continue all fringe benefit coverage as provided in Section G of Article XX.

In each case, the unit member may also use an additional twenty-five (25) days of differential pay leave (in which the District shall deduct the lowest rate for substitute employees from the unit member's salary) for this purpose.

Unit members shall notify the Assistant Superintendent for Human Resources of the projected date on which the leave is expected to commence and the probable date on which the unit members shall resume their duties. Such notice to be given not less than thirty (30) days prior to the expected commencement date of such leave.

Fringe benefit coverage shall not be altered during the duration of this leave.

ARTICLE XXIX
PERSONAL NECESSITY LEAVE

- A. Leave pursuant to Section A of Article XXXI of this agreement may be used in cases of personal necessity. The following are not to be considered reasons for personal necessity leave:

1. Vacation or recreation
2. Seeking other employment
3. Extension of a school holiday
4. Political activities or demonstrations
5. Conferences and workshops
6. Restrictions identified in the Concerted Activities Article in the Master Agreement

Full time unit members may use ten (10) days or a total of seventy-five (75) hours, of sick leave per year for the purpose of personal necessity. Part time unit members may use a percentage of 75 hours proportionate to the hours of their assignment as a percentage of a full time position. The unit member shall give a reason each time personal necessity is utilized and provide the District with at least seventy-two (72) hours notification whenever possible. Emergencies may exist for the stated reasons in 2.a or 2.b below that prevent the unit member from providing 72 hours prior notification to the District. Unit members will make every effort possible to notify the District as far in advance as practicable whenever an emergency situation arises.

1. Unit members may use two (2) days of personal necessity leave (PNL) per year for urgent and compelling reasons. This form of PNL is commonly known as “no tell” days. When a unit member has accumulated seventy (70) days of sick leave (as of July 1st of the current school year), the unit member will be allowed one additional urgent and compelling necessity leave day for a total of three (3) days out of the ten (10) PNL days. The unit member is required to provide advance notification with a stated reason of “urgent and compelling reasons of personal business.”
2. The remaining days of personal necessity must have a stated reason from the approved list below or be specifically approved by the Assistant Superintendent for Human Resources. The unit member shall not be required to secure advance permission to use such leave for any of the following reasons:
 - a. Death or serious illness of a member of his/her immediate family.
 - b. Accident, involving his/her person or property or the person or property of a member of his/her immediate family.
 - c. Religious observances for recognized and established holy days.
 - d. Legal meetings or appearances with an attorney and/or appearance in a court of law except when such appearance is for reasons brought about through the connivance or misconduct of the unit member.
 - e. Urgent personal family business which necessitates the unit member's immediate attention during normal business working hours.

- f. Attendance at a funeral of a close personal friend. The District reserves the right to require the unit member to provide verification of the funeral before or after the actual date of the funeral.

- B. In all other cases the unit member must secure the advance permission of the Assistant Superintendent for Human Resources prior to using such leave for reasons of personal necessity. Whenever a unit member desires to use such leave for other reasons not set forth in Section 2.a-f above, he/she shall first submit a written request for a personal necessity leave to his/her principal or immediate supervisor. The principal or immediate supervisor shall, upon receipt or as soon thereafter as is reasonably practicable, acknowledge such request, make a recommendation thereon that such leave either be granted or denied, and forward such request to the Assistant Superintendent for Human Resources.

Permission for such leaves will normally not be granted for appearances in a court of law or before an official governmental body or tribunal for reasons brought through the connivance or misconduct of the unit member. In cases where permission for such absences is granted for appearances in a court of law or before an official governmental body or tribunal, the unit member shall either at the time of submitting his/her request or immediately upon his/her return to work, provide the District with evidence from such court, body or tribunal showing the reason for his/her attendance at such proceeding.

- C. In the event a unit member has exhausted his/her ten (10) days of personal necessity he/she may request permission from the District to use additional sick days for the limited purpose of:

- 1. Death or serious illness of a member of his/her immediate family.
- 2. Accident involving his/her person or property or the person or property of a member of his/her immediate family.

When the need for additional days is an emergency, less than twenty-four (24) hours' notice, the unit member need only to notify the District for the use of an additional day. The District reserves the right to revoke any use of personal necessity reported as an emergency beyond the ten (10) day limitation whenever the District has reason to believe the unit member is abusing the emergency provision.

All additional days of personal necessity, with the exception of emergencies, must have the advance permission of the Assistant Superintendent for Human Resources and all such days, including emergencies, will be deducted from sick leave.

- D. Personal necessity leave shall not be deducted from a unit member's sick leave in the following situations:

- 1. Where personal necessity leave is taken by a unit member to testify in court on behalf of the District; or
- 2. Where personal necessity leave is taken by a unit member to testify in a child abuse proceeding on behalf of the child.

ARTICLE XXX
SABBATICAL LEAVE

- A. Sabbatical leaves, for a period of twelve (12) months, may be granted by the District upon submission of an application in writing. Unit members shall have been employed by the District for at least seven (7) consecutive years and shall agree to remain at least two (2) years after their return. Unit members who do not return shall be obligated to repay any salary received from the District during the leave.
- B. Unit members shall file an application for sabbatical leave with the District office no later than February 1st of the year prior to the year for which the leave is requested. The application, with the Superintendent's recommendation, shall be submitted to the Board of Trustees for consideration. The application must be accompanied by a certificate of health signed by a physician, indicating that the unit member is in satisfactory physical condition to undertake the study or travel proposed. Any cost associated with obtaining the certificate of health shall be borne by the unit member.
- C. The request for sabbatical leave shall state the activities the individual expects to engage in and the educational benefits to be derived for both the District and the individual, in terms of new courses or new information for use in courses taught by the unit member.
- D. Sabbatical leaves granted in any one school year shall not exceed three (3) certificated unit members. Seven (7) years must intervene between successive sabbatical leaves for any one certificated unit member.
- E. Sabbatical leaves may be granted for the following reasons:
 - 1. Sabbatical Leaves for Study
 - a. Unit members who apply for sabbatical leaves for study shall agree to undertake a full course load as defined by the individual educational institution.
 - b. Applications for such leave shall state a specific purpose and goal for such college work indicating that such leave would be mutually beneficial to the individual and the District (i.e., work toward an advanced degree, academic study in depth in a subject-matter in which they are teaching or research projects directly related to the school or District). Work toward a credential is a personal obligation for self-advancement and may not mutually benefit the District and should not, in itself, be grounds for a sabbatical leave. This, however, does not rule out the possibility of a person obtaining an advanced credential while completing the objectives of the sabbatical. Such leave shall not be approved for correspondence courses. Upon completion of the leave and within sixty (60) days of the unit member's return to duty, a written report on findings and conclusions usable for reinforcement of teaching in the subject area, along with transcripts shall be submitted for evaluation to the Superintendent and forwarded to the Board of Trustees. The Superintendent may, for good cause and upon request by the unit member, authorize an extension of time for submission of the report, such additional time not to exceed one (1) semester.

2. Sabbatical Leaves for Travel

- a. Unit members' application for sabbatical leave under this provision shall submit a statement of the proposed itinerary and goals and purposes for such leave. The leave must have a direct contribution to the unit member's field and classroom activity. Said itinerary must be so planned as to evidence specific ways in which the trip will contribute to the improvement of the unit member's services with respect to the particular educational field in which he/she is engaged.
- b. Upon completion of the leave and within sixty (60) days of the unit member's return to duty, a written report on findings and conclusions usable for reinforcement of teaching in the subject area shall be submitted for evaluation to the Superintendent and forwarded to the Board of Trustees. The Superintendent may, for good cause and upon request by the unit member, authorize an extension of time for submission of the report, not to exceed one (1) semester. The report should set forth the unit member's reaction to the experience and include a statement of the benefits received from it. A description of the trip alone will not satisfy the report requirement.
- c. Sabbatical leaves for less than one (1) year duration may, on rare occasions, be granted for specific, special needs of the District.
- d. Compensation during a sabbatical leave shall be computed as fifty percent (50%) of the salary the unit member would have received had he/she remained in his/her regular position, plus one hundred percent (100%) of the District paid fringe benefits, but not including payment for special assignments or extra-curricular activities.
- e. Time spent on sabbatical leave shall be credited as regular District service in the determination of years of service for sick leave, seniority and eligibility for fringe benefits provided the requirements established for the sabbatical leave have been satisfactorily met.
- f. Upon return from sabbatical leave, the unit member may be assigned to another location and assigned such classes as he/she may be qualified to teach; however, the District will make a reasonable effort to assign the unit member to the same school and the same assignment.
- g. The principal of the school to which the individual is assigned shall be notified by the unit member as to when he/she will return or will be available for a conference, which notice shall be given not later than March 1st of the year during which the unit member is on sabbatical leave. The principal, upon receiving such notice, shall inform the unit member of any assignment changes or intended changes at the earliest possible date.
- h. The unit member who elects to receive sabbatical leave compensation in monthly payments during his/her leave must post a bond guaranteeing service to the District for a period which is equal to twice the period of the

leave following his/her return. The bond shall be exonerated in the event the failure of the unit member to return and render the agreed upon period of service is caused by the death or physical or mental disability of the unit member. If the Board of Trustees finds and by resolution declares that the interests of the District will be protected by the written agreement of the unit member to return to the service of the District and render the agreed upon period of service therein following his/her return from the leave, the Board of Trustees, in its discretion, may waive the furnishing of the bond and pay the unit member on leave in the same manner as though a bond is furnished.

ARTICLE XXXI **SICK LEAVE**

A. As provided in Section 44978 of the Education Code:

1. Every unit member employed five (5) days a week by the District shall be entitled to twelve (12) days leave of absence for illness or injury, exclusive of all days he/she is not required to render service to the District, with full pay, for a school year of service.
2. A unit member employed for less than five (5) school days a week shall be entitled, for a school year of service, to that proportion of twelve (12) days leave of absence for illness or injury as the number of days he/she is employed per week bears to five (5).
3. Pay for any day of such absence shall be the same as the pay which would have been received had the unit member served during the day.
4. Credit for leave of absence need not be accrued prior to taking such leave by the unit member and such leave of absence may be taken at any time during the school year. If a unit member does not take the full amount of such leave allowed in any school year the amount not taken shall be accumulated from year to year.
5. A unit member shall have the right to utilize the sick leave provided herein for absences necessitated by disability resulting from pregnancy, miscarriage, childbirth, and recovery therefrom.
6. When administration, acting in good faith, suspects abuse of sick leave by a unit member, the unit member will be given written non-disciplinary notice of the suspected abuse. This written non-disciplinary notice shall not be considered a step in Article XI, Progressive Discipline of this collective bargaining agreement.

If suspected abuse continues, or if required by the Education Code, administration may require written justification signed by a physician.
7. Unit members who teach summer school and/or intersession will accrue sick leave in accordance with Article XXXI, Sick Leave. Sick leave will be earned at the rate

of .0656 hours (equivalent to 12 sick days per 183 contract days) for each contracted hour of intersession and/or summer school session.

8. Unit members who teach in a supplemental instruction program may use one (1) day of accumulated sick leave per each ten (10) contracted program work days. One (1) day of accumulated sick hours is defined as the number of hours contained in one contracted supplemental instruction program work day.

B. As provided in Section 44977 of the Education Code:

1. When a unit member is absent from his/her duties on account of illness or accident for a period of one hundred (100) days or less, whether or not the absence arises out of or in the course of the employment of the unit member, the District shall deduct only the lowest rate for substitute unit members from the unit member's salary for any days in which the absence occurs. If no substitute is employed to replace the unit member, the lowest salary rate for substitute employees shall be deducted from the unit member's salary. This paragraph shall apply only to those unit members who have used all of their accumulated sick leave.
2. The District may require written justification signed by a physician for any period of absence for which benefits pursuant to this Article or Education Code Section 44977 are requested.
3. A unit member returning to work from extended sick leave shall be required to present a Doctor's release prior to returning to duty. Upon presentation of such release, the illness or accident necessitating such leave shall be deemed to have been fully cured and the unit member fully recovered. No additional paid or partially paid leave shall be allowed for such illness or accident. Unpaid leave may be permitted at the discretion of the Superintendent.
4. During any school year, and after having utilized his/her current annual entitlement to leave of absence for illness or injury as specified in Paragraphs A. 1 or 2 of this Article, a unit member may elect to utilize as many as ninety (90) of the days specified in Paragraph B. 1 of this Article, and receive the compensation specified in such paragraph rather than utilize unused annual leave accumulated from prior years, for the duration of the unit member's incapacity. The purpose of this Special Education Appendix is to provide a central source for specific Special Education related language contained throughout this collective bargaining agreement. The parties intend for the Appendix to make it easier for teachers and administrators to locate specific Special Education related language as necessary. The inclusion of the language in this Appendix does not alter the meaning of the language or agreement of the parties contained in the specific Articles of the collective bargaining agreement. The language in this Appendix will be automatically modified if/when the corresponding language in the associated Article is updated. If the appendix is accidentally not updated after any modification to the Collective Bargaining Agreement (CBA) through the bargaining process, the articles in the CBA will override any of the appendix language.

ARTICLE VIHOURS
