

WELCOME TO THIRD GRADE!

Dear Parents/Guardians,

Welcome to third grade and to the beginning of what promises to be a wonderful year! I take great pleasure in introducing myself, Bill Armideo, as your child's third grade teacher.

Third grade is an exciting time full of learning, exploration and fun. Your third grader is in store for many meaningful and challenging experiences. I know your child is eager to start, but a little nervous too. I will do my best to create a safe and nurturing environment in which everyone feels safe and wanted.

Please know that I anxiously await the arrival of the 2019-2020 school year and look forward to meeting you and working with both you and your child throughout this year. I am a firm believer in open communication; if you ever have any questions and/or concerns at any time, please do not hesitate to contact me –

I hope that you are having a wonderful summer! I am looking forward to meeting all of you and hearing about the fun things you did over the past few months. I am really excited about starting school in September and getting to know and work with all of you.

Third grade is a great year! I have a lot of fun lessons planned for the upcoming school year. You will be working on becoming even better readers and writers! Learning will be a lot fun, so get ready!

I enjoy playing and watching sports, reading books and spending time with my family. I have a 8-year-old son named Andrew, a 4-year old daughter named Abigail and a feisty little dog named Henry. My wife is also a teacher so we enjoy sharing fun ideas for our classrooms. I am a huge Philadelphia Phillies, Sixers and Eagles fan and love going to the games!

We have a lot to look forward to this school year! Enjoy the rest of your summer and get ready for a great school year! I cannot wait to meet all of you on Tuesday, September 3rd for your first day of 3rd grade!

See you soon

Mr. Armideo

P.S. Don't forget "Meet the Teacher" day is Thursday, August 29th 2:15-3:00pm in room 228

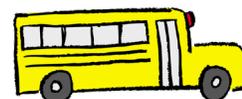

Dear 3AR Parents/Guardians,

It is extremely important that your child's dismissal plans are made clear to me and the office staff. Please fill out the below dismissal plan and return it to school with your child. If there are any changes in the below dismissal plan, a note must be sent in with your child. If there is no note, your child will go home according to their set dismissal plan.

Also, it is school policy that students are not able to go home on a bus other than their own. If you wish your child to go to a Classmate's home, please write a note and arrange the children to get picked up by a parent. Thank you!

Sincerely,
Bill Armideo
