

WELCOME TO THIRD GRADE!

Dear Parents/Guardians,

Welcome to third grade and to the beginning of what promises to be a wonderful year! I take great pleasure in introducing myself, Aimee Avellino, as your child's third grade teacher.

Third grade is an exciting time full of learning, exploration and fun. Your third grader is in store for many meaningful and challenging experiences. I know your child is eager to start, but a little nervous too. I will do my best to create a safe and nurturing environment in which everyone feels safe and wanted.

Please know that I anxiously await the arrival of the 2019-2020 school year and look forward to meeting you and working with both you and your child throughout this year. I am a firm believer in open communication; if you ever have any questions and/or concerns at any time, please do not hesitate to contact me at avellia@lmsd.org

Sincerely,

Aimee Avellino

Your child's new classroom is 3A, located on the second floor in room 227.

Dear 3A Friends,

Hello! Welcome to third grade!

I hope that you are having a wonderful summer! I am looking forward to meeting all of you and hearing about the fun things you did over the past couple of months. I am really excited about starting school in September and getting to know and work with all of you.

I hope you are excited about the new school year. We are going to have a fantastic year together. I've been busy getting our classroom ready for the great year we are going to have. I have a lot of fun lessons planned for the upcoming school year. You will be working on becoming even better readers and writers! Learning will be a lot fun, so get ready!

You will need to bring your supplies with you on the first day of school. The list of things that you will need for third grade is included with this letter. Please be sure to put your name on your things.

We will have snack everyday so you should also bring a healthy snack with you. I would also like you to bring a chapter book to read during silent reading time on the first day of school. You will need to have a chapter book to read every day.

We have a lot to look forward to this school year! Enjoy the rest of your summer and get ready for a great school year! I cannot wait to meet all of you on Tuesday, September 3, 2019 for your first day of 3rd grade!

See you soon,

Mrs. Avellino
