

Dear 4W "Wizard",

Welcome to 4W, the "Wells World of Wonder"! I am so excited to be working with you this year as we create an *exceptional* community together.

We will begin our first week with team building activities, as well as independent tasks that will help us to get to know one another, and to understand and appreciate the expectations of being part of the 4W community.

During the first month of school we will: embark on the study of the U.S. Constitution; set into motion our investigation of factors, multiples, and arrays; begin our exploration of Eco-systems; accept an invitation to literacy through Journeys; and decorate cupcakes for Cal's Cupcake Challenge occurring on Saturday, September 21.

I hope you will stop by on Thursday, August 29 to see your new classroom in room 219 and to share with me what you have been doing this summer. Did you take any trips? Did you read any good books? Have you been practicing your multiplication facts? Do you like cupcakes?

Speaking of books, please bring in one of your favorite books to read during our first day on Tuesday, September 3. We will also have snack everyday, so you should bring a healthy snack with you. On the reverse side is a list of the suggested supplies for 4th grade that you can bring in over the first couple of weeks of school.

I am here to be your teacher and learning coach, as we enter this new 4th grade World of Wonder together. See you soon!

Love,

Mrs. Wells xo
