

Dear Students and Families,

I hope you have all enjoyed your summer and spent a lot of time relaxing, reading, having fun, and spending time together. We are going to have a wonderful 4th grade experience full of new friends, new learning, and new opportunities.

I'm looking forward to getting to know all of you and to building a strong classroom community. This year we will continue to grow and develop as learners and contributors to our community. We will work hard at solving problems, innovating solutions, and working cooperatively together. I look forward to hearing about all the fabulous books and articles you are reading as well as the opportunity to read your writing.

I hope you will stop by in August to see your new class in room 208 and to share with me what you have been doing this summer.

Take some time to think about the people who inspire you, your goals for this year, and your special talents. It will be so much fun to learn from you!

I look forward to beginning another amazing year!

Love,

Mrs. Daugherty
