

August 2019

Welcome to fifth grade!

With the start of a new school year right around the corner, I would like to take this opportunity to introduce myself. My name is Shayna Ash, and I have the great pleasure of working and collaborating with you this school year.

Fifth grade is going to be an exciting one filled with many transition activities; novels, writing assignments, STEM challenges and curriculum projects and I look forward to working with you through each one.

I cannot wait to get to know each of you. My husband and I live in West Chester, Pa with our daughter Maddie, who will be beginning Kindergarten this fall! Together, we love to go to the beach, go swimming and go to the park. Recently, I returned from a wonderful vacation to Disney World. I also enjoy running, reading a great book and cooking.

There is no greater excitement for me than the beginning of a school year. I am passionate about teaching and learning. I appreciate the opportunity to work with you each day as we learn and grow together. Your support and collaboration will be the backbone to a successful school year. Please do not hesitate to reach out via email AshS@lmsd.org with any questions or concerns. I look forward to an amazing year filled with learning, laughter and fun in 5A!

Sincerely yours,

Shayna Ash
