

August, 2019

Dear 5F Student,

I hope you are enjoying your summer vacation and are as excited as I am about beginning our new school year in fifth grade. This is a special year for you. In addition to being the oldest students in the school, you will participate in a variety of activities such as the team-building trip, class picnic, fifth grade play, and yearbook; just to name a few. In class we will be reading stories, researching topics, learning how to study and to prepare for tests, writing stories, and keeping current on world news.

I look forward to hearing about your summer. My family and I took several trips to Washington, DC and New York and spent time in Ocean City, NJ. We continue to cheer for the Phillies!

Enjoy your remaining days of summer. Below are some important dates to remember.

Sincerely,

Dr. Fulmer
