OUT OF DISTRICT/HOME INSTRUCTION ROSTER

EXPLANATION:

Students with IEPs whose needs cannot be met in the programs that exist within the district are placed in outside private and public schools approved by the New Jersey Department of Education for students with disabilities. Attendance is monitored monthly in order to ensure students are enrolled as agreed and the state-mandated contract with each school states that two weeks' notice is required for removal of a student. Case managers make at least two visits per school year for each student enrolled in one of these schools, including one visit that involves the convening of an IEP Team to complete an annual review of the student's IEP.

In order to preserve confidentiality, all students are identified only by their local and/or state identification numbers in any listing that is maintained outside the Office of Pupil Services.
