Evaluación Nacional del Logro
Académico en Centros Escolares
ENLACE

What is it?

- **Evaluacion Nacional de Logro Academico en Centros Escolares (ENLACE)**
- The ENLACE exam is the National examination taken by every student enrolled in a public or private school in Mexico. It is a test designed to obtain additional information on education in Mexico in the areas of Math, Science and Spanish for students in 3rd, 4th, 5th, 6th, 9th, and 12th grades.

What is it for?

- ENLACE is an additional tool for the teachers, administration, students and educational authorities from the country to know the actual evolution of education at all the levels: in the state, in the city, in the neighborhood, by group and by student.
- the results will not be included in ASFM grades.
- it is not used for college admittance.

American School
Foundation of Monterrey

Who takes it?

Every student in 3rd-6th grades, 9th and 12th grades, in all public and private schools in Mexico.

What it evaluates?

- a standardized multiple choice test in Spanish that measures Reading Comprehension and Mathematical Ability.
- it is aligned to the specific SEP curriculum, in the areas of Spanish and Mathematics.
- each year it includes another subject area such as Science or Civics.
