For the purpose of this Policy, programs of athletic competition include all activities relating to competitive sports contests, games, events, or sports exhibitions involving individual students or teams of students when such events occur within or between schools within this district or with any schools outside this district. The programs of athletic competition shall include, but are not limited to, high school interscholastic athletic programs where school teams or squads play teams or squads from other school districts, and/or intramural athletic programs within a school or among schools in the district and any cheerleading program or activity in the school district.

When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student’s removal in accordance with the provisions of N.J.A.C. 6A:22-4.3. No student shall be removed from school unless the parent, legal guardian, adult student, or resident
keeping an "affidavit student" (as defined in N.J.A.C. 6A:22-1.2) has been informed of his or her entitlement to a hearing before the Board of Education. Once the hearing is held, or if the parent, legal guardian, adult student or resident keeping an "affidavit student", does not respond within the designated time frame to the Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student’s eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2. Hearings required pursuant to N.J.A.C. 6A:22-4.3. may be conducted by the full Board or a Board Committee, at the discretion of the full Board. If the hearing(s) is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. No student may be removed except by vote of the Board taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.

Appeal to the Commissioner

An applicant may appeal to the Commissioner of Education the school district’s determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of "affidavit student" eligibility determinations shall be filed by the resident keeping the student.

Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of an eligibility determination, the Board of Education may assess tuition for up to one year of a student’s ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

If an appeal to the Commissioner is filed and the petitioner does not sustain the burden of demonstrating the student’s right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition in accordance with the provisions of N.J.A.C. 6A:22-6.2(a). Upon the Commissioner’s finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition in accordance with N.J.A.C. 6A:22-6.2.

Nonresident Students

The admission of a nonresident student to school free of charge must be approved by the Board. No student otherwise eligible shall be denied admission on the basis of the student’s race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability.
Conditioned upon Board approval, nonresident pupils may be admitted upon payment of tuition and availability of space. The chief school administrator shall develop procedures for the enrollment of nonresident children that allow admission of such children only on the proper application of the parent/guardian.

Nonresident students will not be permitted to attend the district’s schools where the current educational program maintained for the children of this district is inadequate to meet the needs of the nonresident student-applicant. Non resident tuition students requiring special needs or services will be required to pay for these additional services.

Nonresident students may apply for and be admitted in the district’s STEM academy on the same basis and criteria as resident students pending availability of seats in the academy. Non resident tuition students admitted into the STEM academy requiring special needs or services will be required to pay for these additional services.

A nonresident student’s continued enrollment is contingent upon his/her maintaining good standards of attendance, citizenship and discipline.

Enrolled nonresident students may participate in the district’s curricular and extracurricular activities and programs, including athletics, as resident students, and in accordance with the same rules, regulations, policies and procedures for students’ participation therein.

The Board shall not be responsible for the transportation to or from school of any nonresident pupil(s), except as may be required by state or federal law.

The Board shall annually determine tuition rates for nonresident pupils.

A nonresident student otherwise eligible for attendance whose parent or legal guardian anticipates school district residency and has entered a contract to buy, build, or rent a residence in this school district may be enrolled without payment of tuition for a period of time not greater than 60 days prior to the anticipated date of residency. If any such student does not become a resident of the school district within 60 days after admission to school, tuition will be charged for attendance commencing the beginning of the first day of enrollment until the student withdraws from school.

Students whose parent or legal guardian have moved away from the school district on or after April 1st will be permitted to finish the school year in this school district without payment of tuition.

Juniors and Seniors, who have attended Morristown High School for at least two (2) academic years may continue enrollment as a nonresident tuition student.

Children of full-time Board of Education employees may enter the Morris School District under the following conditions:

The cost for any and all additional services beyond basic educational services for any child who requires such services will be borne by the parent. In the event that children of nonresident employees require evaluation by the Child Study Team, related services, or specialized equipment, the costs for such evaluations, services, and/or equipment shall be assumed by the nonresident employee. The district shall make every effort to provide agreed-upon
evaluations in the most economical manner possible in accordance with provisions set forth in N.J.A.C 6A:14-3.3.

This provision does not apply to children of Board of Education employees who were enrolled in the Morris School District prior to April 9, 2018 and are currently attending the Morris School District.

A nonresident student’s continued enrollment is contingent upon his/her maintaining good standards of attendance, citizenship and discipline.

Additionally, employees must make a written request to the superintendent on or before July 15th if they wish for their child to attend the Morris School District. Transportation must be provided by the parent.

F-1 Visa Students

Throughout the school year, our largest ALL IN events involve giant games (Jenga, Tic Tac Toe, Bowling, etc.). Having larger games allows all students accessibility to social experiences. Increasing participation in leisure skills fosters an environment of peer acceptance further promoting the “ALL IN” mind-frame throughout FMS. In addition, our student board members have voiced their request for additional large games. This will allow us to continue to implement Team Makers lessons and activities during and after our contract with them ends.
