

MIDDLE SCHOOL (GRADES 6-8)

Summer School Courses for middle School students will not be offered this summer (2018) because of an insufficient number of students to comprise a class.

All Middle School students must complete 20 hours of tutoring and additional self-study to **prepare** for the Extraordinary Exam(s) or Project(s). The School provides a study packet or project prepared by the regular classroom teacher along with a list of available ASFM teacher tutors to help with preparation. Students and parents will be responsible for arranging the tutoring schedule and tutoring costs with tutor.

All Middle School students failing a course must write and pass an Extraordinary Exam(s) during the extraordinary exam schedule or complete, submit, and pass an Extraordinary Project(s) on time to remediate the failed course and recover the credit.

Students must earn a minimum grade of 70% on the Extraordinary Exam or Project to recover credit for the failed course. Students failing one exam must repeat the course the following year; students failing two extraordinary exams must repeat the entire year.

PURPOSE OF CREDIT RECOVERY

Students who failed at least one course during the school year must gain the necessary content knowledge and skills to be successful during the following academic year. Therefore, students are provided an opportunity during the summer to gain basic proficiency in the content and skills standards of the failed course(s) and demonstrate that proficiency through a variety of ways.

MSHS CREDIT RECOVERY COSTS

Extraordinary Exam - \$1,600 pesos

Project Completion - \$1,600 pesos

Fees to be paid by cash or check at the Central Office cashier Monday through Friday 7:30 a.m. to 12:30 p.m.

HIGH SCHOOL (GRADES 9-12)

Summer School courses are not offered for High School students who are in need of credit recovery.

All High School students must complete 20 hours of tutoring and additional self-study to **prepare** for the Extraordinary Exam(s) or Project(s). The School provides a study packet or project prepared by the regular classroom teacher along with a list of available ASFM teacher tutors to help with preparation. Students and parents will be responsible for arranging the tutoring schedule and tutoring costs with tutor.

All High School students failing a course must write an Extraordinary Exam(s) during the extraordinary exam schedule or complete and submit an Extraordinary Project(s) on time to remediate the failed course and recover the credit.

Students must earn a minimum grade of 70% on the Extraordinary Exam or Project to recover credit for the failed course. Students failing one exam must repeat the course the following year; students failing two extraordinary exams must repeat the entire year.

SUMMER SCHOOL OFFICE

The Summer School Office will be located in the MSHS Main Office.

Office hours during summer school is from 8:00 – 12:00 noon.

MSHS Credit Recovery Coordinator

Ms. Rosy Leal
Phone: 8288-4400

ADDITIONAL INFORMATION

Transportation to school is the responsibility of the parents. Students must arrive no more than 15 minutes before the exam time and depart campus no more than 20 minutes after the end of the exam.

There will be no medical staff on campus during summer school. Security will call the ambulance as needed in case of emergency.

There will be no food service available on campus during the summer.

A vertical promotional banner. At the top left is the ASF M logo. To its right, the text 'American School Foundation of Monterrey' is written in red and blue. Below this, a photograph shows a person lying on their back on a green lawn under a clear blue sky, holding a large white board above their head. The bottom half of the banner is a solid dark red background with white text that reads 'Middle School and High School Credit Recovery' and 'Summer 2018'.
