Section 2 - Child Being Registered

Student Name _____

I acknowledge that I am the parent(s) or legal guardian(s) of the child being registered in Section 2 of this form. I acknowledge that the information presented in this form is correct and true and that I am a resident of Bellevue or Avalon.

I agree that, if at any time my residency changes from the areas encompassed by the Northgate School District, I shall withdraw my child from the Northgate School District and enroll my child in the school district of my new residence. I also understand that the District has the right to investigate the primary residency of those listed on this form.

I acknowledge that a person who knowingly provides false information to the Northgate School District for the purpose of enrolling a child who is not eligible commits a summary offense, the penalty for which is a fine of no more than \$300, the provision of 240 hours of community service, or both. In addition, I understand that I shall be liable for court costs and to the Northgate School District for an amount equal to the cost of tuition during the period of enrollment.

The Northgate School District continually investigates the truth of Residency Verification forms. It is, therefore, requested that you not sign this form unless you are certain that the facts set forth in this document are completely true and correct. Be aware that, if this Residency Verification form is not true and correct, you could be subject to criminal penalty.
