

SACHSE HIGH SCHOOL - PARKING LOT EXPECTATIONS (rev. June, 2019)

Before you purchase a parking permit, know these expectations. **Parking on campus is a privilege, not a right**, and may be denied at the discretion of the Administration. By purchasing a parking permit, you are stating your intention to attend school over 90% of the days, be on time on the days you attend school, to drive the vehicle you registered, and to follow the rules below. If your parking privileges are removed, **NO REFUNDS WILL BE GIVEN!!!**

PARKING LOT VIOLATIONS: Violations may lead to loss of parking privileges/other disciplinary action:

1. Reckless driving. (Cutting across the lanes, excessive speed, cutting across the grass, riders on outside of vehicle).
2. Leaving campus, or attempting to leave campus, without permission from the office (vehicle will be searched).
3. Going to your car in the parking lot during the day without permission from the AP office (vehicle will be searched).
4. Parking in faculty parking or in the wrong space (see below).
5. Possession of tobacco/e-cig in the parking lot (even if 18 yrs old), or transporting someone in possession of tobacco/e-cig.
6. Fighting or encouraging others to fight in the parking lot, or loitering (not leaving in a reasonable time after school).
7. Disrespectful behavior toward parking attendant, or other school employees.
8. Failure to follow procedures when you drive a different car (see below).
9. Failure to have parking permit permanently mounted on window (**inside front windshield, bottom of passenger side**).
10. Allowing others to use your space- - your privilege to park is non-transferable, not even to your siblings.
11. **Failure to move your vehicle by 3:00 p.m., if your space is located on the marching band practice area.**
12. Parking privileges may also be removed at the discretion of the principals, based on misconduct at school.
13. If you have an accident in the parking lot, and don't have current insurance, your parking privilege will be withdrawn.
14. If you are an early graduate you must return your parking pass to the assistant principal's office on your last day of class.

Two parking lot violations could result in loss of parking privileges in accordance with the student handbook.

CANINE SEARCHES

Random searches will be conducted by the canine unit. If a canine alerts on your vehicle, you will be called to the AP office and escorted to the parking lot. A trained canine officer will search your car for any prohibited substance. **You will be held responsible for the contents of your vehicle!**

WHAT IF I HAVE TO DRIVE A DIFFERENT CAR FROM THE ONE WITH THE PERMIT? (Rule # 8)

If only temporarily, go to the AP office and fill out the "Temporary Parking" log sheet. You will print your name, ID number, and Parking Permit/Parking Space number on a list. This notifies them that the car in your space that day does belong there.

If you have permanently changed cars, and need a new sticker, come to the Assistant Principal's Office. You will need to bring the old sticker, or what you can of the old one, to get a replacement. The charge is three dollars (\$3.00). If you are unable to bring in the old sticker you will need to purchase a new sticker.

IF SOMEONE HAS PARKED IN YOUR SPACE, do not simply take someone else's space. Park in Row "N" (along the baseball field) and come immediately to the AP office. You will fill out the "Temporary Parking" log sheet and indicate that you are on row "N". Parking Violators may have their vehicles towed or "Booted." The cost to have a "Boot" removed is \$20.00, and it is even more expensive to recover a vehicle that has been towed. The parking attendant will check a different section of the parking lot every day, to verify that each car has a permit, and that the permit is on the correct, registered car.
