

Katie Averdick

Name: Katie Averdick

Nickname: Katie

Place of Birth: Cincinnati, OH

Current Residence: Estes Park, CO

Favorite Place: Corsica. An island of mountains surrounded by crystal clear water, plus I get to speak French there. What could be better?

Favorite Outdoor Activities: Hiking, backpacking, snorkeling, skiing, beach volleyball, drinking coffee

Hobbies, Interests, Interesting facts (about yourself): I spent a year after college graduation in Montpellier, France as an au pair and really considered going back, but I decided to go through Fire Academy instead. Now, I'm a volunteer firefighter here in Estes and plan on pursuing fire as a career! Swimming is my favorite sort of indoor exercise, and I LOVE eating breakfast with friends at any time of the day.

If you had one superhero power, what would it be? To breathe underwater. I'm pretty sure I was a fish in a past life.

Favorite Food: Fresh seafood, maybe some fish tacos and conch chowder.

If you could be one fruit or vegetable, what would it be? A mango. YUM.

Musical Taste: No country, no metal. Anything else floats my boat.

Favorite Holiday: Christmas, hands down.

Favorite Candy: Rolos or Reese's

What do you do when not in the outdoors? Hang out with friends, run fire calls
