

YOUTH SERVICES

The Governing Board realizes that schools must work with parents/guardians, businesses, government, and the community to meet the complex individual needs of children to ensure the coordination of multiple services.

The Board shall initiate or participate in collaborative relationships with city and county leaders to develop local policies and provide effective multi-agency programs that respond to the needs of children and families.

The superintendent and staff shall contact and cooperate with public and private agencies to ensure the availability and effective implementation of after-school programs, childcare programs, intersession programs, and other services for children.

The Board shall advocate for local, state, and national policies, legislation, and programs designed to provide or better coordinate services for children and families.

The Board shall regularly evaluate the progress of evaluative efforts and shall monitor district budget, facilities, and personnel priorities.
