

VISITORS / OUTSIDERS

The Governing Board encourages parents, guardians and interested members of the community to visit the schools and view the educational program.

To ensure minimum interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be first arranged with the teacher and principal or designee.

All outsiders as defined in law and administrative regulations shall register immediately upon entering any school building or grounds when school is in session.

For purposes of school safety and security, the principal or designee may design a visible means of identification for visitors while on school premises.

No electronic listening or recording device may be used by students or visitors in a classroom without the teacher and principal's written permission.
