

COMMENDATIONS AND AWARDS

The Governing Board believes that individuals and organizations deserve recognition when they provide contributions or longstanding service to the district. The Board believes that commending such service promotes increased community understanding and participation.

The Superintendent or designee shall establish procedures by which Board members, employees, or members of the community may suggest persons or organizations for Board recognition. At the board’s discretion, letters of recognition, Board resolutions, plaques, or awards may be presented.

The Board encourages similar forms of recognition for achievement or services as part of the school-level commendation programs.
