COMPLAINTS CONCERNING DISTRICT EMPLOYEES

The Governing Board believes that the quality of the educational program can improve when the District listens to complaints, considers differences of opinion, and resolves disagreements through an established objective process.

The Governing Board recognizes the need for providing parents, guardians and/or other members of the public with a complaint process regarding certificated management, or confidential employees of the District.

The Governing Board expects that members of the public will make every effort to resolve their complaints and disagreements informally before resorting to formal complaint procedures.

Individual Board Members do not have authority to resolve complaints. If approached directly with a complaint, however, Board Members should listen to the complaint and show their concern by referring the complainant to the Superintendent or designee so that the problem may receive proper consideration.

The Superintendent or designee shall establish complaint procedures which allow members of the public to appeal to the Board.
