

PRE-RETIREMENT PART-TIME EMPLOYMENT

The Governing Board may allow employees enrolled in the State Teachers Retirement System the opportunity to work on a part-time basis for a period of time before retirement without jeopardizing full retirement credit, as provided in Education Codes 22713 and 44922. This opportunity will be extended to all personnel who meet the criteria detailed in administrative regulations.

Any certificated employee who is enrolled in PERS rather than STRS may participate in the reduced workload program for up to five (5) years or until seventy (70) years of age.
