CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION
TRACY CHAPTER 98
The Governing Board desires to provide a safe, orderly working environment for all employees. When violence is directed against an employee and the employee so notifies the district, the district shall take steps to ensure that appropriate legal measures are instituted. When the employee notifies the district of a threat of bodily harm, the district shall provide a means by which the employee may request immediate assistance if an attempt occurs on school grounds.

The Superintendent or designee shall ensure that employees are informed, in accordance with law, regarding crimes and offenses by students who may pose a danger in the classroom.

When violence is directed against an employee by any individual and the employee so notifies the District, the District shall take steps to ensure that appropriate legal measures are instituted. When the employee notifies the District of a threat of bodily harm, the District shall take appropriate measures to enable the employee to request assistance if an attempt occurs on school grounds.

The Superintendent or designee shall ensure that employees are trained in crisis prevention and intervention techniques in order to protect themselves and students. Staff development may include training in classroom management, effective communication techniques and crisis resolution.

The Board recognizes that access to two-way communications devices allows employees to call for assistance from their supervisor or law enforcement in the event of a threat of violence or medical emergency. The District shall provide such communications devices in classrooms to the extent possible.
