College Counseling Newsletter, July 2019

Class of 2020

College Counseling hopes you're having a great summer! It's been a busy few weeks for your college counselors too with conferences, college tours, and prepping for your return. Please take a moment to review the following updates:

- Interested in the University of California (Berkeley, UCLA, UCSD, etc.) options, please review the attached document. The Personal Insight Questions are helpful when applying to UC (and other schools).
- The Common Application is available starting August 1. While you are welcome to [create your account](#), be cautious completing the application as there could always be last minute changes or updates to this application. We'll work through this application during Senior Summit on Tues., 8/13.
- How's your college list looking? College essay(s)? Are there any updates? Contact your counselor and we'll get things rolling.
- If you're interested in taking the August 24 SAT, [please register](#) by July 26 to avoid a late registration fee.
- Interested in the Fall Break trips to tour universities in Boston or Florida? [Please register in Naviance](#).
- PARENTS: If you've not already done so, [please complete this quick survey](#) to assist your college counselor.
