() = years in choir

Note from the Executive Board

It has been an amazing year for the Stevenson Choirs from wonderful concerts and performance opportunities to a fun and educational field trip to see Hamilton. The talent of the directors is phenomenal and they help bring out the talent in each student every year. A BIG Thank You to our Choir Directors, Alice Nuteson and Kirstin Snelten, for their dedication and hard work. It has been a pleasure to work with them as members of the Choral Guild.

We would also like to thank the Choral Guild volunteers for all they do. The Choral Guild volunteers make it possible to run successful fundraisers that benefit the Choral Program and individual students, as well as assist in various ways to help make the Choral Program the success that it is today.

Last but not least, we would like to thank the choir students for their dedication, time and talent that they bring every day to their choir classes and extracurricular programs. The talent of the choir students is exceptional and it's a pleasure to watch them perform. Congratulations to all the seniors. We wish you all the best next year as you begin a new chapter.

Favorite Choir Memories?

SHS Choir Alumni

Dan Olber - Class of 1994

My best memory was getting to travel to UK with the choir. We had an opportunity to tour castles, historic cities, and got to perform at some really amazing churches. It was a lot of fun and gave me the opportunity to travel overseas for the first time in my life.

Pammy Levinson - Class of 2012

My favorite choir memory was during the New York trip my senior year. This was around the time the flash mobs were a thing. We all froze in the middle of Times Square at the same time, and then broke out into song. We sang "Brotherhood of Man" from How to Succeed in Business Without Really Trying, which we had seen earlier that day, and was one of the songs we were performing on this trip. It was a great time and always a fun fact to share with new people.

Mikey Barker - Class of 2014

My favorite choir memory was the 2014 choir trip to Walt Disney World! It was such an amazing experience and what inspired me to eventually apply for the Disney College Program a couple years later! I'll never forget this wonderful trip!

Courtney Shub - Class of 2018

One of my favorite memories from choir was during the 2016 trip to New York. I remember that the acoustics in the cathedral we sang in were absolutely stunning, and I felt proud to be contributing to something so beautiful. It was just a moment as a singer that I don't think I'll ever forget because something just clicked in my head, that singing in this place with this group of people was exactly where I was supposed to be.
